① FROM BOGGS DISTRIBUTION

.....I remember a time when NME was good (ie-interesting, exciting and even shocking). Unfortunately, that has all changed now. I don't know if fanzines have improved but I am sure NME has got worse.....

QUOTED BY JOHN THE INVISIBLE PERVERT (CZ)

WANTED- "OUTLETTERS". These are people who help us distribute fanzines and in return keep a percentage of the cost price for each one they sell (we won't be keeping any money on ones sold in this way). Sell them at gigs or on stalls or to any local shops which will take them. Fanzines are the only interesting publications still in existence-read them and find out for yourself.

We'll take almost any fanzine on for distribution. Send a copy and if I like it I'll order some copies. Don't worry about postage charges.

NOTE-The more people who help (as outletters etc) the more copies of each 'zine we can distribute.

Now I'd just like to thank: ?-Tony of Aftermath without whos help this would not have been possible and who is gaining nothing from it + Martin of 'Spitfire Parade' + Sue at Rough Trade etc etc. MARK RANGLES & PRINTING!

ADVICE ON STARTING YOUR OWN MAGAZINE/FANZINE - FOR THE 1ST ISSUE MAKE ONLY 50-200 COPIES. FORCE LOCAL RECORD SHOPS TO TAKE 10-15 COPIES EACH. WALK AROUND LOCAL GIGS SELLING IT (ANNOUNCE IT ON THE P.A). SEND COPIES TO OTHER FANZINES FOR REVIEWING. WRITE ABOUT WHAT YOU WANT - IT DOESN'T HAVE TO BE MUSIC.

CABARET 5 = 40P IN STAMPS or uncrowned P.O.

GOSH! REALLY INFORMATIVE

2

I'm not exactly a millionaire so everything has to be on a sale or return basis (if that's what they call it). Therefore, if you send some fanzines or cassettes you may not get the money until 28 days later. More than likely, you will get quantities of the money sent every few days.

DIY TAPES!

I would like to distribute independent tapes, but due to the small number of outlets at the moment, this may be rather difficult. However, if anyone can find a shop willing to sell (and make money on) cassettes or fanzines, then in return I'll take copies of their tape. I know this sounds selfish but it's the only way to stop getting flooded with stuff we can't sell.

If you can't find a shop but have problems with selling your tape you can always send me a copy so I can give it a quick review in here, or even better, send it to a fanzine.

NME - SHIT
ARE YOU A MUG?

If you read NME you are. They slag off Crass as being "Out of date" and at the same time they congratulate bands for being "60's revivalists". They think they're so fucking clever. They create pratish words like 'Euro funk' and 'Psychobilly'. They hate heavy metal but they never question their superiors when they're ordered to interview a HM band. Every so often it's hip to write about a certain subject - One month it's Factory records, the next it's Japan, the next it's futurism, the next it's funk etc etc.

When IPC told them to clamp down on independents they obeyed without question. Now they're still writting about 'The Clash in America' and other things which 99.5% of their readers can't relate to

THE END
THE ANSWER TO A HAPPIER
LIFE IS TO DO YOUR OWN THING
CHAPS. DON'T OBEY ORDERS YOU
DON'T LIKE. LOOK AT THE
MESS THE WORLD IS IN BECAUSE
OF PEOPLE OBEYING THEIR 'SUPERIORS.'
