MEAT? ERNIE SEZ! BE VEGGIE!

Meat is not cheap. Or 10lbs of grain to yield a mere 1lb of intensively reared beef.

Apart from costing the lives of countless millions of animals each year, its production is also causing starvation for millions all over the world.

How can the production of food result in people going hungry?

Because over half the world's cereal harvest is fed to livestock being reared for slaughter, and not to men, women and children.

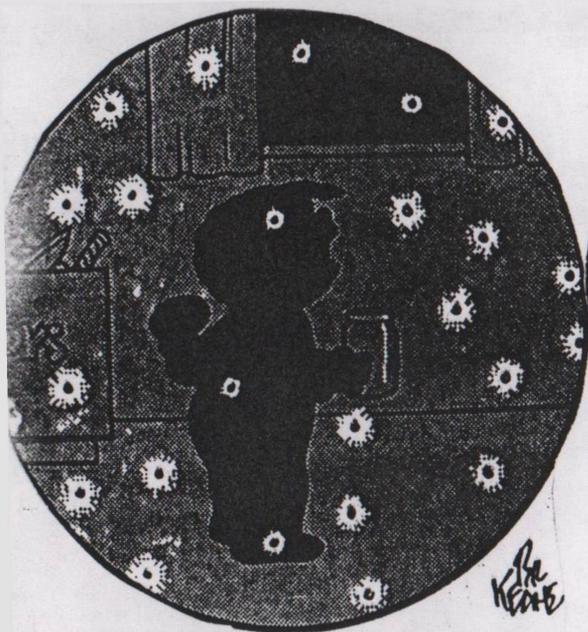

And it takes a full 3lbs of that grain to produce just 1lb of poultry.

STOP PRESS!

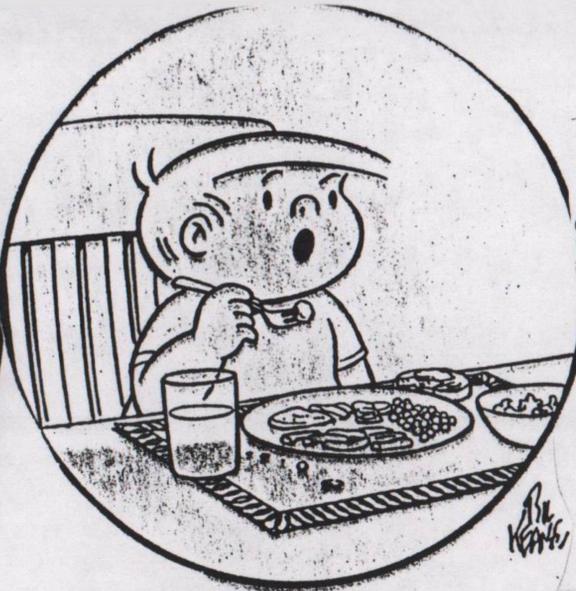

LIVE STOCK FARMING ISN'T JUST KILLING ANIMALS.

It's a shameful waste of resources. One that you can help to correct by rejecting meat from your diet.

Because the more people who go vegetarian, the more the agricultural industry - and it is an industry these days, as mechanical as any other - will be forced to re-assess its methods of operation and adjust its swollen meat production policy down as demand dwindles.

DISCOGRAPHY

BLACK FLAG & HENRY ROLLINS

LA's Black Flag was formed by singer Keith Morris and guitarist Greg Ginn during 1976. After Morris quit in '79, moving on to form the Circle Jerks, Henry Rollins, formerly of Washington DC hardcore unit DOA, was drafted in as frontman, remaining until the band split in 1986. This discography is an attempt to list everything by the Flag and Rollins that was or is readily available in the UK. Some US releases have been included (SST recordings have always been obtainable through such distributors as Greyhound Records) but several obscure US and Euro items on such labels as Mystic, Go, DIY, Bogus, Ear Movie, Time Coast, New Alliance, Eksakt etc, have been omitted for reasons of space and sanity. Release dates, due to the crossover between UK and US issues, may also prove confusing. Complaints, additions and suchlike, are expected and will be gratefully received!

SOMEONE ONCE SAID TO ME THAT YOU SHOULD

COMMUNITY WORD NEVER HAVE SURVIVED
IF WE/THEY HADN'T HELPED EACH OTHER
OUT. THAT IS THE KEY TO AN ANARCHY SOCIETY
OF TOMORROW. APATHY IS SUICIDE. NEVER

SURPRISE, IS PROFIT-MONEY-GREED & OUT OF
