There is only one thing worse
than sitting sedated before the T.V.,
doing nothing

And that is being angered by
the myths, lies and propaganda
perpetuated on the screen -
and still doing nothing

Hello and welcome to a reprint catalogue plus a few new + return of a few old designs. And sorry, but at last there's an increase in price, 50p on most shirts, so not too bad. It had to happen to cover all the various cost of bringing you the printed shirt.

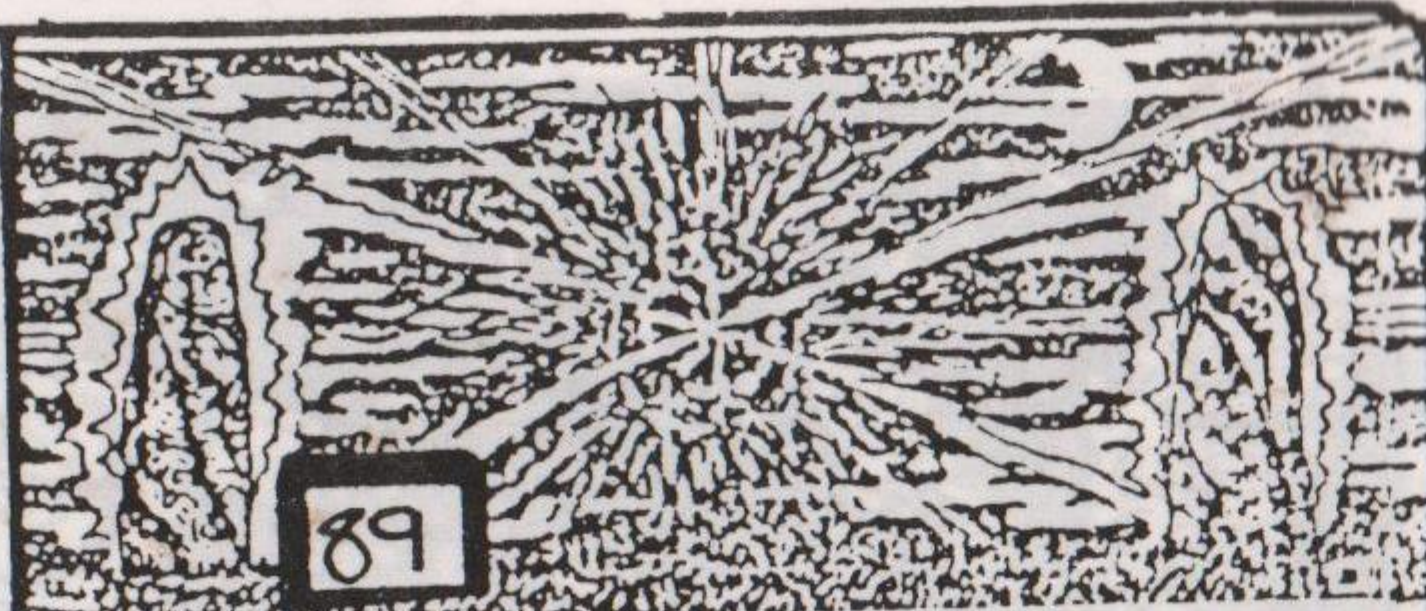

But, if you buy 20 plus T-shirts a wholesale price is available and a further reduction for fundraising groups. And of course I can print your design!

Many thanks to all customers old and new, and megga thanks to all the artists! Love Jen x
