THE INSULT THAT MADE A MAN OUT OF 'MAC'

TIM AND GERTIE

STARRING
THIS WEEK'S
STORY
ENTITLED...

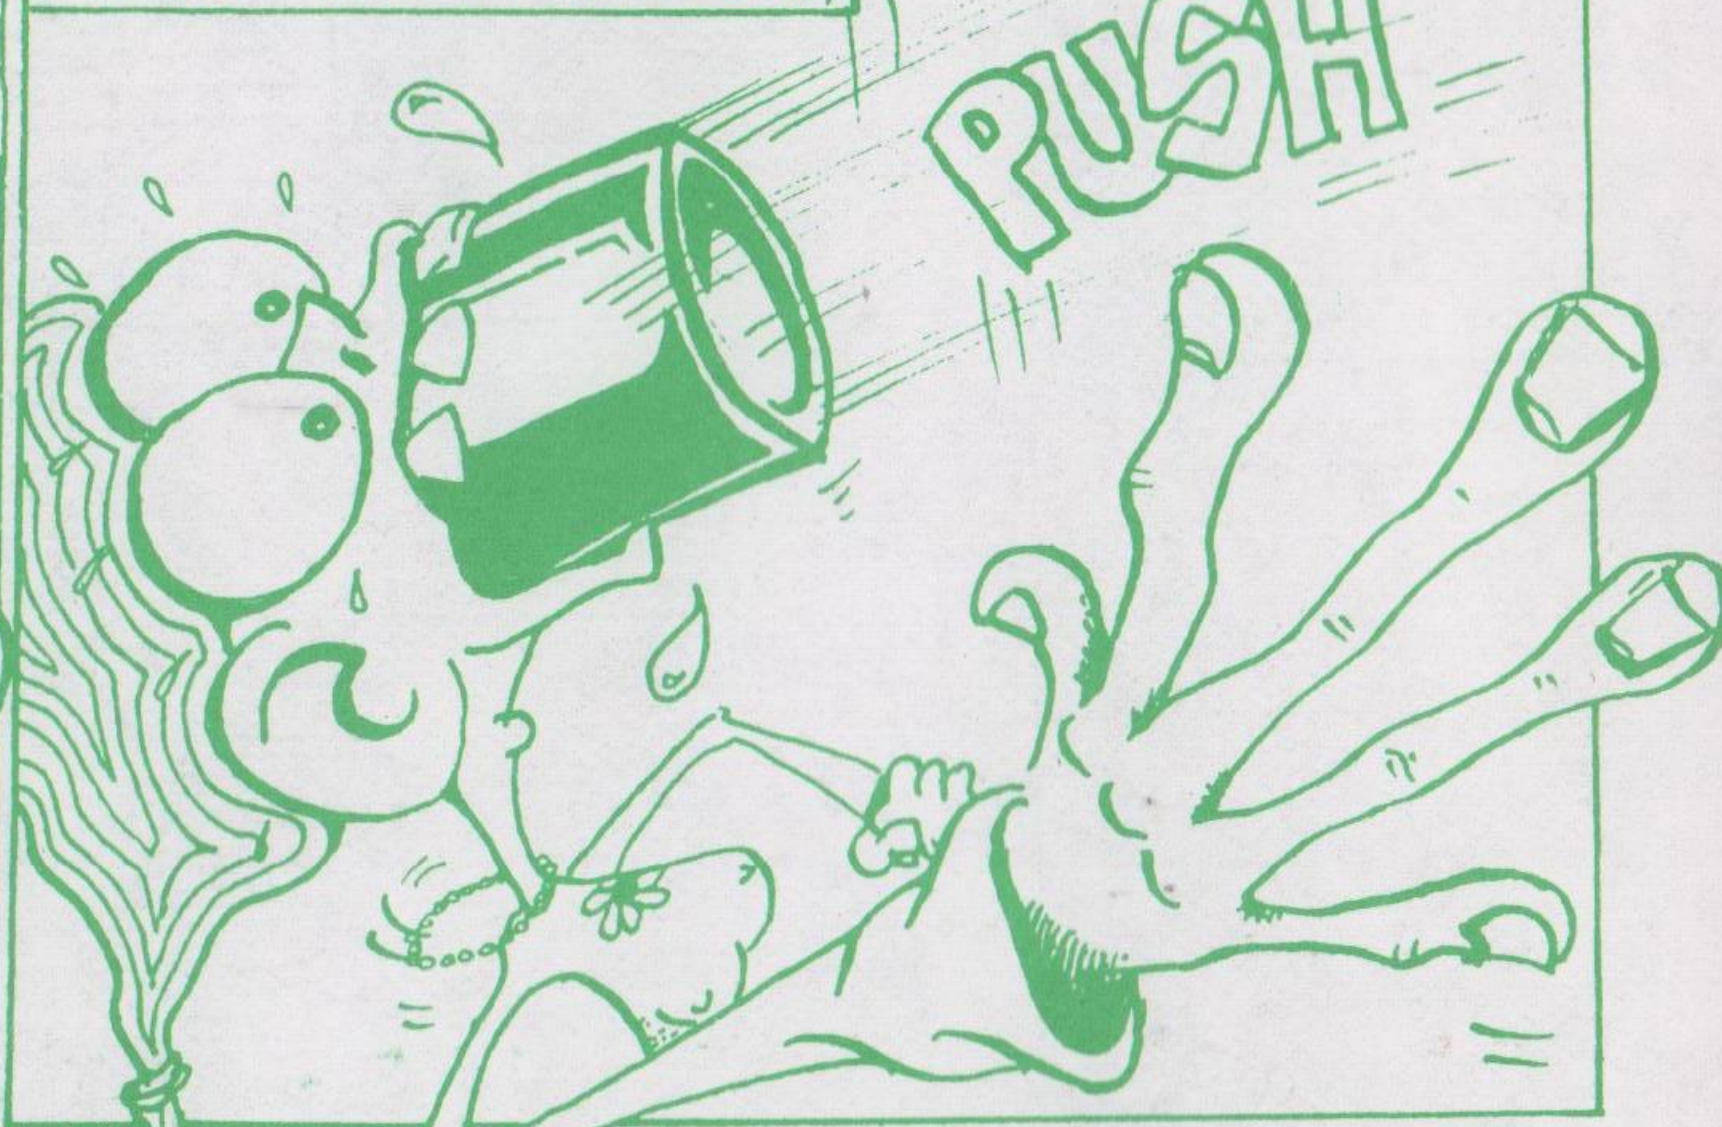

SO YOU WANT TO BE A:

SHAZ

HAVING RECEIVED GERTIE'S LETTER THROUGH THE C.I.A. OFFICE, I QUICKLY GOT TO WORK ON A MAGIC SHAZ-LIKE FORMULA.

GERTIE NEEDED A LITTLE PERSUASION TO DRINK THE FORMULA, BUT SOON MANAGED TO DOWN IT ALL!!!

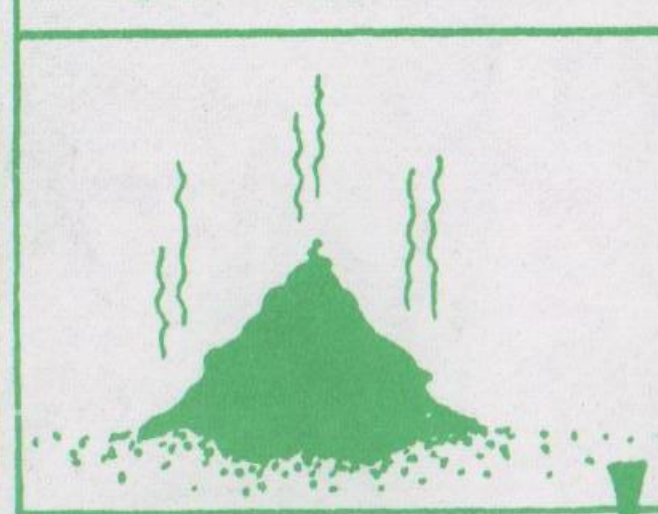

THIS IS GERTIE A PLAIN BORING GIRL WHO HAS A BURNING DESIRE TO BE POPULAR. NOT HAVING MUCH LUCK WITH HER PRESENT IMAGE SHE WANTS TO BECOME A "SHAZ".

THE FORMULA SEEMED TO HAVE A STRANGE EFFECT. THEN A WICKED METAMORPHOSIS STARTED TO TAKE PLACE.

ALL THAT WAS LEFT WAS A PILE OF DUST....

...AND A WHITE HANDBAG CALLED TRACY.

OH NO WHAT HAVE I DONE? THE SCRIPT SAID SHE WAS SUPPOSED TO TURN INTO A BROSETTE STEREOTYPED IMAGE, BUT THE ARTIST HAS TOTALLY FREAKED AND TOSSED THE SCRIPT TO THE WIND.

SO WHAT! THE PUNTERS WHO READ THIS RUBBISH LIKE A BIT OF WAY-OUT FREAKYNESS. ANYWAY I GOT SUNBURNT YESTERDAY AND I'M IN A BAD MOOD.

STILL CAN'T SEE WHY WE CAN'T STICK TO THE SCRIPT?

OKAY, OKAY, YOU WIN. BACK TO THE STORY. BY THE WAY YOU USED THAT JOKE LAST TIME.

OUT OF THE ASHES ROSE THE MOST FOWL HUMAN FORM EVER TO ESCAPE INTO PUBLIC SINCE ESTER BANTZEN. IT WAS LOOSE, LOUD, AND HEADING TOWARDS THE MARKET SQUARE.

© Jim86 '89. Dedicated to the memory of "Skippy" the Bush Kangaroo!! Fairdinkum mate!

TERRORISING THE ENTIRE JOVLY POPULATION AS SHE WENT, THE "INDESTRUCTABLE SHAZ THE GOB", AS SHE WAS NOW KNOWN WAS ZOOMING THROUGH THE MARKET SQUARE, SHOUTING VERBAL ABUSE AND ZONKING INNOCENT BYSTANDERS WITH TRACY THE HANDBAG.

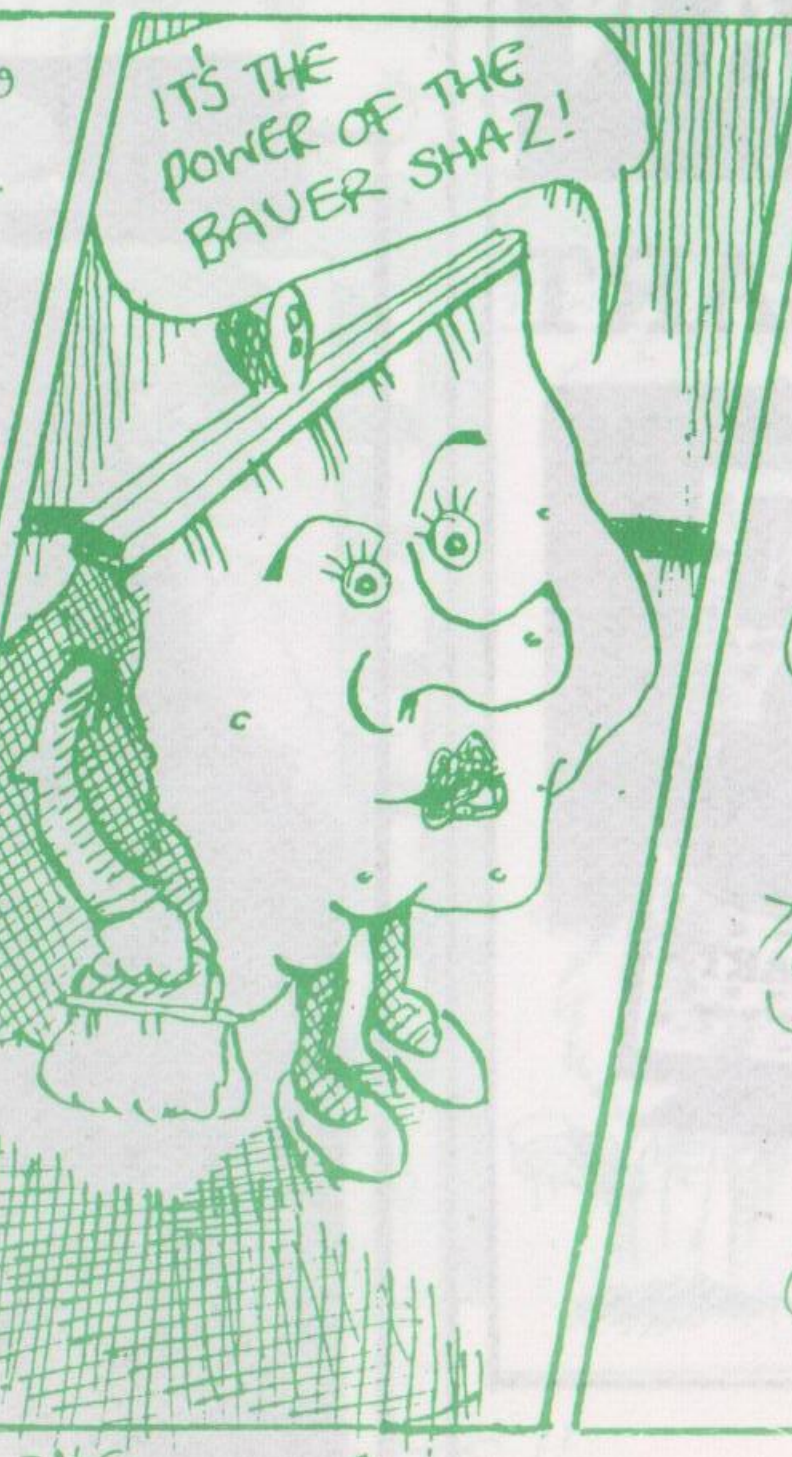

SHE WAS HAVING A "WRIGHT LAUGH", UNTIL SHE VENTURED INTO THE FAR END OF THE SQUARE. THE PLACE WHERE NORMAL FOLK DON'T GO, THE PLACE WHERE BON JOVI BACKPATCHES ROLL, AND THE SWEET SOUND OF NUCLEAR ASSAULT AND ANTHRAX CAN BE HEARD.

THE GREBS

THE GREBS HAD NO CHANCE, THEY ALL DIED A VERY HAIRY DEATH AS THE IN-DESTRUCTABLE SHAZ NOW WAS DRIVEN BY ANOTHER FORCE. THIS STRANGE FORCE WAS CALLING HER, JUST AS IT HAD CALLED THOUSANDS OF SHAZ'S BEFORE HER. SHE WAS BEING DRAWN TO THE ICE RINK!!! TRACY LEAD THE WAY.

ONCE SHE WAS INSIDE SHAZ WAS IN HER ELEMENT. SHAZ MET A RATHER SLIMY DISHY GUY CALLED KEV. THE MAN WIF THE ULTRABRIGHT "TING".

REMEMBER: ONLY real people have 2its.
FAMOUS People without 2its: kylie, Jason, and Skippy P.I.P.

TO BE CONTINUED....

STAR TIP

Mop up make-up

★ AN unusual beauty tip for you from chart-topper Sonia is to remove your make-up with mineral water! Sonia soaks a pad of cotton wool in mineral water and finds it's a gentle and effective cleanser. She says: "It freshens my skin and makes it feel great!"

JUDGE PICKLES heads the news again after a controversial decision to goal a 19 year old physically disabled student, for shoplifting. Pickles said "The offender became disabled whilst awaiting trial; I give this sentence as a deterrent to those who think they can avoid prison by becoming disabled."

As the consumerist spirit of the Eighties continues into the new decade, Advertising Agencies become increasingly more competitive, and the campaign Success Story of the Nineties, is The Soap Opera Advert. The most popular of these (Dinalot - will they/won't they have to have the dog put down?) wins acclaim at the prestigious BAFTA AWARDS, and to add to it's regular nightly spot receives an omnibus-edition showing at the weekends.

NOTTINGHAM EVENING POST gives away litre cartons of CoolBrew free with every copy of the Tuesday edition.

PHIL COLLINS signs to Nottingham's premier Hardcore label 'Earache Records'. "Well I've always wanted to play... Thrash, is it?" An 'Earache' spokesperson commented "It's great to have Phil aboard. We've just sent him away to grow long hair, get his nose pierced an' get some tatoos done like."

THE EUROVISION Song Contest is hit by tragedy as commentator Terry Wogan is found dead in his hotel suite. Responsibility is accepted by STOMP (Society for the Termination of Obnoxious Media Persons) who issue a statement claiming 'Tel is to be the first of many'.

NOTTINGHAM EVENING POST gives away away 2-litre bottles of 'CoolBrew' free with every copy of the Tuesday edition.

JUDGE PICKLES hits the headlines again after a controversial decision to exhume and gaul the body of would-be witness Judy Taylor. Pickles had previously threatened to gaul Ms Taylor for Contempt of Court after she'd expressed a wish not to testify on grounds it may endanger her life. Judge Pickles said "Miss Taylor's death occurred the day before the trial at which I was to make her testify; Her death was an obvious method of avoiding doing so. I sentence her as a deterrent to all those who think they can die to prevent themselves giving evidence."

NOTTINGHAM EVENING POST gives away magnum bottles of CoolBrew free with every Tuesday edition.

STOMP'S LATEST victim, Bob Monkhouse, is found dead. Pinned to his back is the note 'Bob Says fuck all now...'

PHIL COLLINS signs to Manchester's premier Manchester label 'Factory Records'. "Well I've always wanted to play... Manchester Synth' Pop, is it?" Phil announced plans to cover New Order's 'Blue Monday'.

AS STADIA mega bands attempt even higher audiences, U2 hire The Gobi Desert, and play in front 4½ million (a world record). "Wembley Stadium's a piss pot!", commented Bono. Present at the once in a lifetime concert was Kev Sloane. Watching the giant video screens from the back, Kev said "Worra gig! It was almost like being there!"

'THE FESTIVE 50' featured on Radio One's 'John Peel Show' is renamed 'The Manchester bands and The Wedding Present 50'.

FOLLOWING THE success of Sonia, The Reynolds Girls and Big Fun, Stock Aitken and Waterman announce they're on the lookout for a new chart act to fit their formula of 'plucked off your local estate' pop. Subsequently they sign up Gaz, Baz and Baz from Clifton, collectively known as 'The Townies'. The boys said "We thought it'd be a laugh like, an' Pete tude us we'd do OK with the birds...." Reports are that the lads are having a bit of trouble with the dance routine.

NOTTINGHAM EVENING POST gives away gallon barrels of CoolBrew with every Tuesday edition.

PAUL DANIELS is found dead wearing an Andy Pandly suit. Pinned to his hat is the note 'Paul's dead. Now that, ladies and gentlemen, is magic.... signed STOMP'.

PHIL COLLINS signs to New York's premier Hip Hop label 'Def Jam' records. "Well I've always wanted to play.... you know, black stuff." Phil's debut album for 'Def Jam', 'It Took A Nation of Morons to Buy My Rhymes' is due for Spring release.

THE BAND Electronic release their long-awaited album 'Feeling Sorry For Myself', featuring the hits, 'My girlfriend doesn't like me very much', 'Why did you make me love you (and then be horrible to me)', and 'Your love makes me wish I was dead'.

THE HAPPY MONDAYS sue the NME for only featuring them on the front cover 29 times the year before. The NME and The Mondays settle out of court for £20 and ten cans of Red Stripe. The cover of the latest NME carries the headline 'SORRY MONDAYS!', accompanied by an extremely large photograph of said plaintiff.

PRODUCERS OF CoolBrew go bankrupt with 15 million cartons of stock left in their warehouses. The company's Marketing Manager commented "We should've realised cold tea was a mistake...."

PHIL COLLINS is found dead, slumped over his piano. Andrew Lloyd Webber announces his new stage epic; called, 'Phil Collins: The Man and His Music', it stars wife Sarah 'I lost my heart to a Starship Trooper' Brightman in the title role.

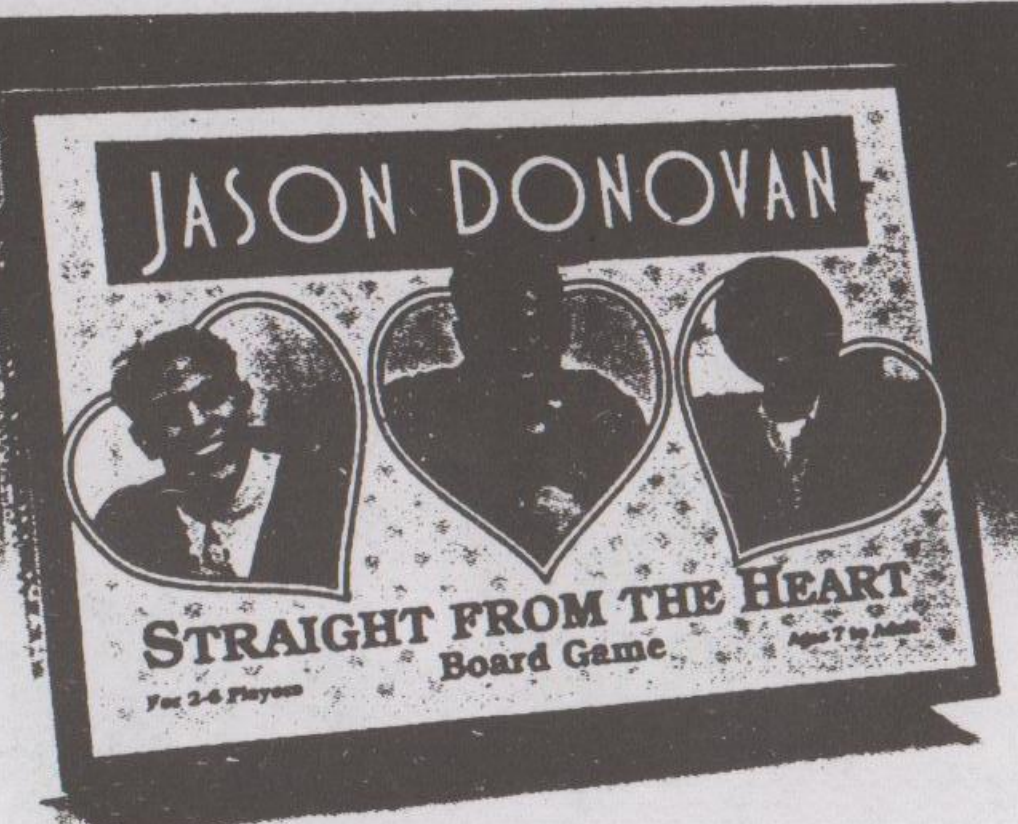

THE TABLOID newspapers unite in condemning STOMP's "Senseless Slaughter" of "The Nation's Loved Ones." 'The Sun Says' (it's Editorial Column) poses the question "Imagine a world without Dawsons, Barrymores, Forsythes, Davidsons, or Edmonds's...?" In reply, STOMP issues the statement "Yes.... Imagine!"

This issue's
'IT'S A SICK DISEASED WORLD OUT THERE'
presents:

What month was Jason born?
What are Jasons favourite sports?
What was Jasons first single?

CIA Happy VALENTINES Day SPECIAL

DEAR SYLVIA

Your Hair is like Silk
Your Skin like Milk
Your Smile is Simply Divine
Your Eyes are like Pearls
You're one of those Girls
Oh how I wish you were Mine

For we'd walk in the park
We'd Kiss after dark
I'd whisk you away in my carriage
And as you lay in my arms
And you yield to my charms
I'd show you the wonders of Marriage

For if you were Mine
Until the End of Time
Or as long as we both shall live
To cook and to clean
To polish and sheen
I'd take whilst you did give

And when you had My Child
And my mind did run wild
On how many more you could have
I would not care
Their upbringing to share
(Except when time for their bath)

If our kids were unruly
I'd say to you "Truly
To keep them in line can't be tough"
And when you did cry
Bemused, I would sigh
"They obey when DAD tells them off!"

And when you thought 'That's Enough'
Thought your wifely role rough
And demanded your own separate life
I'd take You by the hand
And gently reprimand
"Darling, It's enough to be Simply my wife
My wife
Surely enough
To be simply my wife."

- "MARRY ME, DARLING",

CARCASS

"Symphonies Of Sickness" - MOSH 18
Available on LP/CASS/CD (incl. 16 bonus tracks)

Ten new servings of gastronomic gore from Merseyside's masters of psychopathological techno-grind. Often copied but never equalled, Bill, Jeff and Ken bring you those wholesome unforgettable classics, "Swarming Vulgar Mass Of Infected Virulency", "Cadaveric Incubator Of Endoparasites" and "Crepitating Bowel Erosion". All tastefully packaged in a gatefold, full colour splatter cover. A bloody bargain!

TERRORIZER

"World Downfall" - MOSH 16
Available on LP/CASS/CD

Hailed as an important and major influence in the burgeoning death/grind/thrash scene through underground tape trading, TERRORIZER explode onto their vinyl debut with such velocity and bone-jarring momentum that nothing can halt their path.

Featuring the rhythm section of MORBID ANGEL (David Vincent and Pete Sandoval) and new NAPALM DEATH guitarist, Jesse Pintado.

GODFLESH

"Streetcleaner" - MOSH 15
Available on LP/CASS/CD (Incl. 4 bonus tracks)

**** (SOUNDS 21/10/89)
"... GODFLESH are pain: brutality made sound, TV hell in total slow motion, a shaved noise that's stripped of all emotion except fear. Like *Hellraiser*'s killing joke it's meathook music that sticks in your head. For years." 95/100 (METAL FORCES Nov '89) ... "one helluva brilliant record ... stands alone as a classic". Noisy, brutal and crushingly heavy - Buy or die!

BOLT THROWER

"Realm of Chaos" - MOSH 13
Available on LP/CASS/CD (Incl. 1 bonus track)

From the heart of the chaos wastes (Birmingham) comes the ear-splitting sound of BOLT THROWER. A grinding death metal soundtrack to the screams of tortured souls. Nine sonic assaults all lavishly packaged in a full colour gatefold sleeve, that for an initial period comes complete with a limited edition 8 page lyric booklet. Their debut for EARACHE, and without doubt their finest hour to date.
