*Some say a host of horseman, others of infantry, and others of ships, is the most beautiful thing on this dark earth: but I say it is what you love.*

*Full easy it is to make this understood of one and all: for she that surpassed all mortals in beauty, Helen. Her most notable husband*

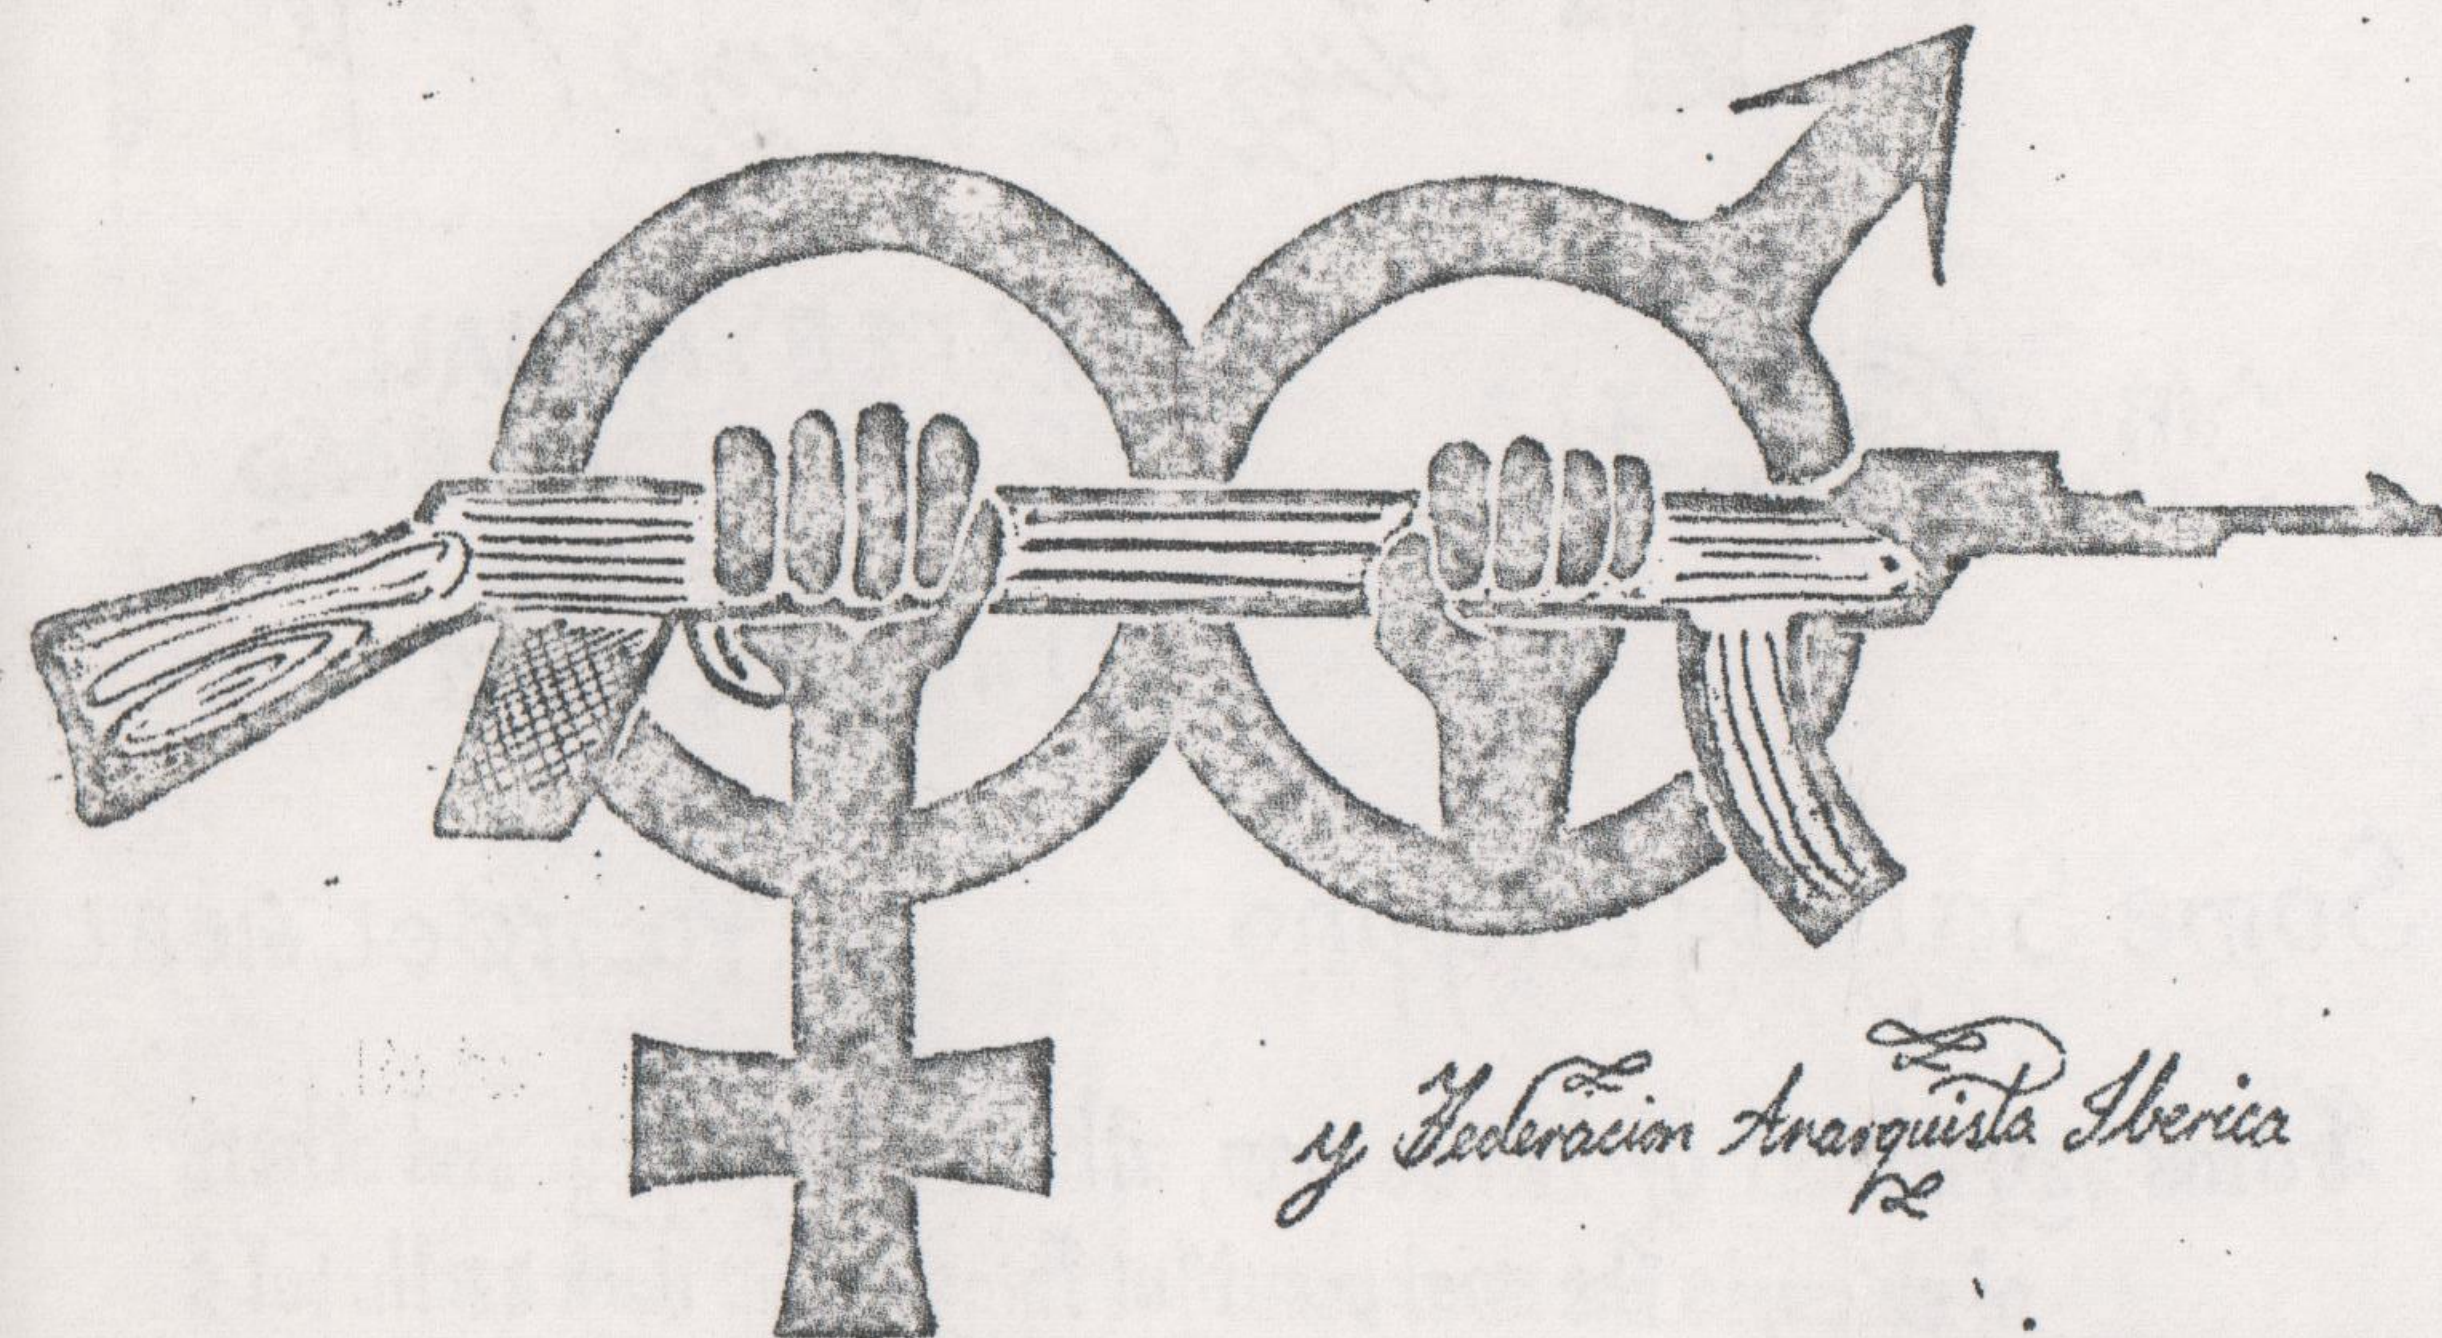

*Deserted and went sailing to Troy, with never a thought for her daughter and parents. The Cyprian goddess led her from the path...*

THE LIBERTARIAN MOVEMENT (PAI & CNT) IS DISADVANTAGED BECAUSE WHILE THE OTHER PARTIES CAN SPEND FREELY THANKS TO FOREIGN AID - INCLUDING THE MOST DISCREDITABLE SOURCES - DURING ITS YEARS OF RESISTANCE ITS ONLY WAY OF RAISING FUNDS FOR ORGANISATION WAS BY BANK ROBBERIES - FOR WHICH IT WAS LABELLED CRIMINAL BY THE VERY PEOPLE WHO HAD STOLEN ITS VAST RESOURCES. IT NEEDS SOLIDARITY. AFTER ALL THESE YEARS WE CAN STILL SAY:  
SPAIN'S FIGHT IS OUR OWN!

SCARE ROW

DEAR READERS, I HOPE YOU AREN'T LIKE ME, OR ELSE WE'VE FAILED MISERABLY IN OUR EFFORT TO GET OUR VIEWS ACROSS TO PEOPLE WHO NEED GETTING THROUGH TO, ALTHOUGH MAYBE NOT, AS THERE ARE CONFLICTING VIEWS WITHIN THE PAGES OF THIS PARTICULAR MAGAZINE, WHICH IS PROBABLY A GOOD THING, COZ YOU CAN READ SEVERAL PEOPLE'S OPINIONS ON THE SAME SUBJECT, WHICH MAY DIFFER, THEN YOU CAN MAKE UP YOUR OWN MINDS. BUT UNLIKE SOME PEOPLE WHO TEND TO WORSHIP EVERY WORD CRASS SAY, DON'T GET CAUGHT INTO THAT, THE MAIN THING IS TO THINK FOR YOURSELF, ACCEPT NO LABEL, NO CATEGORISATION, PEOPLE ARE LABELLED BY EACH OTHER, AS PACIFIST, PUNK, MILITANT, HIPPY, AND THEY FEEL THEY HAVE TO LIVE BY THE DICTIONARY'S DEFINITION OF THIS LABEL, OR THE DEFINITIONS PUT ON THE LABELS BY ANYONE FOR THAT MATTER, WHICH RUBS OUT THE PLEA FOR INDIVIDUALITY, AND HONESTY, THEY WANT TO LIVE WITHOUT PUTTING ON AN ACT ALL THE TIME. DON'T ACCEPT, OR BELIEVE ANY OF WHAT IS WRITTEN IN THIS ZINE, IT IS BASICALLY A COMPILATION OF PEOPLE'S IDEAS, READ WHAT IS WRITTEN, AND MAKE UP YOUR OWN MIND, AND IF YOU LIKE SEND CONTRIBUTIONS, OR ARGUMENTS FOR INCLUSION IN THE NEXT ISSUE TO SCUM/109 FOULDEN ROAD/STOKE NEWINGTON/LONDON/N.13..... ALSO IF YOU DON'T LIKE THE WAY THINGS ARE, LIKE THE WAY THE POLICE HAVE THE RIGHT TO KILL PEOPLE LEGALLY, AS HAVE POLITICIANS, THE WAY PEOPLE ARE TREATED, AND ABUSED THEN DO SOMETHING ABOUT IT, MAKE PEOPLE AWARE OF WHAT IS HAPPENING, SABOTAGE STATE PROPERTY, TO SHOW YOUR REJECTION, THERE IS ALWAYS SOMETHING THAT CAN BE DONE TO AIR YOUR VIEWS, WHETHER YOU'RE INTO DIRECT ACTION, OR SIMPLY TRYING TO TALK TO PEOPLE, IT ALL COUNTS, EVERY LITTLE THOUGHT, OR ACTION YOU TAKE TO OPPOSE THE STATE MAKES THEIR POSITION, JUST A LITTLE BIT UNSURE, THE MAIN THING IS TO STICK TOGETHER, BE RESPONSIBLE, AND THINK FOR YOURSELF, FINALLY... IF YOU DON'T LIKE THIS ZINE, TOUGH SHIT, LET'S SEE WHAT YOU 'VE DONE. *by MARTIN*

HAPPY? YES, I'M HAPPY - WHO ARE YOU FOOLING?

ALL WE HAVE LEFT IS DRUGS/AND HOPE/...

HELLO AND WELCOME TO ISSUE FIVE OF SCUM. THIS IS AN 'INTRODUCTION' OF SORTS AND THOUGHTS... STEAL BACK YOUR LIFE AND RUN. FOR THE FIRST TIME IN YOUR LIFE THINK: EYES WERE MEANT TO SEE SO OPEN THEM AND BE AWARE. ONE TOKEN PUNK DOWN OXFORD STREET STICKS OUT LIKE A SORE THUMB...

IN THE LAST TEN MONTHS I'VE FINALLY WOKEN UP. I'VE LEARNT A LOT. I'VE BEEN. I'VE SEEN. I'VE TRAVELLED. I'VE TALKED. I'VE LIVED. WHERE EVER YOU GO YOU CAN'T ESCAPE PEOPLE: THEY'RE EVERYWHERE - AND NOWHERE. I NEED PEOPLE. IN THE STREET PEOPLE PASS BY ME, STARING WITH COLD EYES, REGARDING ME WITH HATRED, CONTEMPT, AND OTHERS FEAR. WHAT HAVE I DONE TO THEM? I CAN FEEL THEM SUFFOCATING ME WITH THEIR NORMALITY. THEIR STUPIDITY. EACH PERSON FITTING SO NICELY INTO THE JIGSAW, EACH BIT ADDING SOMETHING. ALTOGETHER, TO FORM A PERVERTED SMILING FACE. A FACE OF TOTAL IGNORANCE...

SUCH IS LIFE...

SHOPPERS HUDDLED TOGETHER, SMILING, BLISSFUL, QUEUEING, WAITING, PATIENTLY, & ITS RAINING & ITS FRIDAY & ITS HELL & ITS TESCO'S: THE CHECKOUTS/QUEUEING/PAYING/AND ALL OVER THE COUNTRY AT ONE TIME THERE ARE MILLIONS OF PEOPLE ALL OF THEM DRINKING FROM COKE CANS... TOTAL CONTROL. THE MOST WARPED, ABSURD LIE... WILL BE BELIEVED. RATHER THAN THE BLATANT TRUTH. THE SUN: BRITAIN'S MOST BIGGEST SELLING DAILY NEWSPAPER. FACTORIES. OFFICES. CANTEENS. BUILDING SITES BUSES AND TRAINS. WE ARE ALL OPPRESSED. HAVE YOU NO BRAINS?

THESE PAGES CONTAIN COLLECTED IDEAS/STATEMENTS/FACTS/IF YOU BLINDLY ACCEPT OR IF YOU BLINDLY AGREE THEN WE HAVE FAILED. I WANT TO SHAKE YOU UP. WAKE UP YOU PEOPLE. SHATTER THE ILLUSION. SHOW ME SOMEONE WHO UNDERSTANDS ME AND I'LL SHOW YOU AN IDIOT.

I AM STILL LEARNING. I AM STILL SEARCHING. I AM STILL...

IF YOU HAVE NOT CONTRIBUTED ANYTHING FOR THIS ISSUE THEN YOU'RE AN APATHETIC FOOL. SEND SOMETHING, ANYTHING, TO 109 FOULDEN ROAD, STOKE NEWINGTON, LONDON.

SUPPORT THE LAW - HANG A JUDGE.

(FROM JAKE MACLEOD TO WOMEN & MEN WHO THINK THEY'RE THE MASTER RACE)

I do not believe in feminism, I am not a sexist. How can I believe in it? I'm a man. "Basically, all men are shit." Well I'm fucking not! Please, tell me the difference between saying "All men are the same" and "All wogs are the same". All you male persons who think you believe in that fucking S.C.U.M. C.R.A.P. can go and cut yourselves into fucking little pieces. I believe in cutting up the fucking system, not men, after all, I fucking am one. Yes, I'm a man, I am not weak, I am not inferior, as some might have me believe.

AT THIS POINT WE WOULD LIKE TO INTERRUPT IN ORDER TO APOLOGISE FOR THE EXCESSIVE USE OF THE WORD "FUCKING". THE WRITER HAS NOW CALMED DOWN AND WILL REFRAIN FROM USING THE WORD IN FUTURE. THANKYOU.

Does stopping violence against women mean start attacking men? Feminists are the biggest sexists around. While going up an escalator in a tube station one day, I saw an advert for women's underwear, and on it a sticker saying "Women are angry". There was nothing on the advert for men's underwear a couple of spaces up. The big prick, fucking macho he-man is just as much a victim of society as the women he uses. Feminism is elitist, fascist bullshit, ANOTHER LITTLE LABEL. Anti-racism got fucked up, it was alright for a black person to hate whites, but not the other way around. Well, anti-sexism is going the same way. If you disagree with me, then you're on the wrong bus, fuck knows where you'll end up.

Oh, of course this is all typically male of me,

I don't think they've got much time left, twenty years at the most (that's being pessimistic). More and more people are realising that they are the cause of all our problems, that we don't need them and we never did. We are nearing the end, my friend, of their clever schemes. They've fucked this world up, but soon there's going to be a massive repair job. We near the end of brainwashing, their clever tricks, the end of time. The end of class, the end of race, the end politics, and maybe even the end of religion. The end of all the dividing lines that give them their power. The revolution has begun and there is no violence, the match that will burn babylon has already been struck.

## & UNEMPLOYMENT BENEFIT

THERE ARE NO LEADERS FIT TO RULE. TODAY'S PIGS ARE TOMORROW'S BACON.

THIS ARTICLE HAS BEEN WRITTEN TO COUNTERACT THE FRUSTRATING AND OFTEN DELIBERATELY CONFUSING BEHAVIOUR OF THE DEPARTMENT OF HEALTH AND SOCIAL SECURITY AND THE UNEMPLOYMENT BENEFIT OFFICE/IT SIMPLIFIES AS BEST AS POSSIBLE THE PROCEDURE FOR CLAIMING UNEMPLOYMENT BENEFIT AND/OR SUPPLEMENTARY BENEFIT/MANY OF YOU WILL HAVE FOUND OUT THE HARD WAY HOW TO CLAIM WHAT IS RIGHTFULLY YOURS BUT THERE WILL BE SOME OF YOU READING THIS WHO WILL BE OR ARE UNEMPLOYED OR JUST LEFT SCHOOL AND WHO ARE NOT FAMILIAR WITH THE ROUTINE/SO HERE GOES...

IF 32a YORKLEY ROAD WAS ANYTHING TO DO WITH A STATE OF ANARCHY... I'D BECOME A FASCIST.

QUESTION EVERYTHING! NOT EVEN US!

TO START WITH ONE OF THE WAYS IN WHICH THE DSS ALIENATE ITS USERS IS TO UTILIZE METHODS OF ACTION THAT MAKE CLAIMING MONEY BOTH TEDIOUS AND INTIMIDATING: THEIR MAIN PLOY IS IN THE WAY YOU ARE TREATED/BE PREPARED TO BE SPOKEN TO AS IF YOU HAVE NO RIGHT TO BE THERE/AS IF YOU ARE PONCES AND SCROUNGERS/YOU WILL BE TREATED LIKE WORTHLESS MORONS WHO ARE LIVING OFF THE WORKING PEOPLE OF THE NATION/THE DESIGN OF THE BUILDINGS AND THE ATTITUDE OF THE STAFF WILL ENSURE THAT YOU FEEL BOTH UNCOMFORTABLE AND ANGRY WHILE DEALING WITH THEM/THIS IS THEIR PLAN/IT IS EXTREMELY IMPORTANT THAT YOU REMAIN AS CALM AND AS POLITE AS POSSIBLE FOR A VERY SIMPLE REASON: BY BEHAVING IN THIS MANNER (AT LEAST OUTWARDLY) YOU'LL GIVE THE IMPRESSION THAT THEIR TACTICS AREN'T WORKING AND THIS WILL NOT ONLY DEMORALISE THEM BUT HELP GET YOUR MONEY TO YOU EASIER AS WELL/TO OBTAIN MAXIMUM EFFECTIVENESS WHEN DEALING WITH THESE PEOPLE ALWAYS KEEP A RECORD OF THE DATES AND TIMES THAT YOU ATTEND THE OFFICE (EMPLOYMENT OR SOCIAL SECURITY) AND ALWAYS KEEP A RECORD OF WHAT MONEY YOU RECEIVED AND WHEN AND OF WHAT OTHER CORRESPONDENCE YOU RECEIVE AND WHEN/WRITE IT ALL DOWN AND USE THIS IF AND WHEN THEY TRY TO STOP YOUR MONEY OR CLAIM THAT YOU WERE NOT FOLLOWING THE CORRECT PROCEDURE/THEY CANNOT ARGUE WITH FACTS/REMEMBER: THEY EXPECT YOU TO BE UNINTELLIGENT AND EASILY FOOLED SO BE AWARE AND SHOW THEM THAT NOT ONLY DO YOU KNOW WHAT IS GOING ON BUT THAT YOU ARE NOT GIVING THEM THE SATISFACTION OF LOSING YOUR TEMPER: ITS FOR YOUR BENEFIT NOT THEIRS...

I HATE PEOPLE WHO CARE ABOUT NO ONE BUT THEMSELVES.

WOMEN ARE CALLED BIRDS BECAUSE OF THE WORMS THEY PICK UP.

MEN ARE CALLED GUYS BECAUSE THEY ARE ONLY FIT FOR BURNING.

### REGISTERING AT THE EMPLOYMENT OFFICE

## Grupo 10 de Mayo

THE FIRST OF MAY GROUP HAS, FOR SEVERAL YEARS NOW, COME TO SUPPORT, IN PRACTICE, THE NECESSITY OF CARRYING OUT THE STRUGGLE AGAINST DICTATORSHIP BY MEANS OF REVOLUTIONARY VIOLENCE, AS THE ONLY POSSIBLE WAY OF ANNIHILATING THE REPRESSIVE VIOLENCE OF THE REGIME OF GENERAL FRANCO AND OF RECONQUERING FREEDOM FOR THE SPANISH PEOPLE IN ACCORDANCE WITH THE STRATEGY DRAWN UP BY THE IBERIAN FEDERATION OF LIBERTARIAN YOUTH (FIJL). BEING AWARE OF THE BACKING GIVEN TO VARIOUS DICTATORSHIPS AND NATIONAL OLIGARCHIES, BY REACTIONARY IMPERIALIST GOVERNMENTS WHICH ENABLES THEM TO MAINTAIN THEIR OPPRESSION OF THE PEOPLE - WE ADDRESS OURSELVES TO REVOLUTIONARY MOVEMENTS THROUGHOUT THE WORLD WHO FIGHT FOR THE FREEDOM AND INDEPENDENCE OF ALL PEOPLE. FULLY CONVINCED, ALSO, OF THE STERILITY OF THE SO-CALLED 'LEGAL AND PACIFIST' STRUGGLES, AS A MEANS OF ENDING THE OPPRESSION AND FORCING IMPERIALISM AND ITS LACKEYS TO END WARLIKE AGGRESSION AND MILITARY INTERVENTIONS, WE HAVE COME TO THE FOLLOWING CONCLUSIONS:

1. We believe that the present struggles for freedom have provoked a crisis of conscience, and forced a reaction against the reformist line, from authentic revolutionaries of various brands - these have finally understood that the only sure and dignified way to make imperialism retreat and clear a path to revolution, is an armed struggle against the forces of fascist oppression.
2. We believe that the serious divergencies and divisions existing between various revolutionary movements, in each country are the result of absurd and negative ideological sectarianism (with which, until now, the different revolutionary ideologies have expressed and applied themselves) and have contributed to the division of the international proletariat and facilitated the increasing depoliticisation of the masses who cannot logically be attracted by a revolutionary praxis divided by contradictions and confrontations resulting from antirevolutionary dogmatism which have been the cause of all revolutionary schisms and ideological internecine quarrels.
3. Together with the Latin American groupings and their most well known exponents, we believe that 'the revolution' is not the inheritance of any single party, but of all who decide to fight for it with guns in their hands, that the struggle against oppression, and for the freedom of the people, theoretically and historically belongs to, and is assumed by, the people and classes who suffer the oppression and decide to fight against it. Parties and ideologies are only transitory tactical instruments, particularly interpretations of this struggle, whose object is the revolution - and they must therefore be subordinated to the true essence of social history.

4. We believe that international revolutionary solidarity will only be effective between those movements which do not maintain contact, nor involve themselves in compromises, with imperialism, and who do not give support to the politics of peaceful coexistence which enable imperialism to carry out its massacres and spoliations with impunity which will continue as long as there is no coherent response to military interventions whose purpose is to stifle fights for freedom, and revolutionary outbreaks throughout the world.
5. We believe that the real revolutionary objective is the achievement of freedom for the masses and for each individual, and that neither private capitalism nor state capitalism can be conducive to the freedom of people nor to an authentic free society. Private capitalism pretends to give freedom while maintaining the exploitation of man by man/woman by woman - state capitalism pretends to end exploitation by suppressing freedom; each of them has their roots in economic and political alienation and therefore cannot even offer the hope of gradual evolution towards liberation. For the authentic revolutionary the achievement of freedom and the ending of exploitation are inseparable and complimentary aspirations.
6. We believe that all revolutionaries who truly wish to see the revolution triumph must, and can, admit the unavoidable necessity of an ideological restatement which will resolve more effectively the problems of freedom and social justice. In other words: means and ends, tactics and objectives, revolutionary strategy and the ethic of revolution - in order to end the damaging differences and doctrinal antagonisms which have hindered until now the union of all revolutionaries against the common enemy. The important thing is that they should now recognise that imperialism and capitalism of any variety, are the real enemies, and revolutionaries can only confront them by uniting their forces, or at least to support each other by effective revolutionary solidarity, national and international, thus preventing the enemy from taking advantage of everlasting contradictions and divisions.
7. We believe that the time has come for revolutionaries to put aside their ideological divergencies, sectarianisms and various 'objective conditions' of constitution and location. All revolutionary movements should unite and coordinate their efforts through a vast movement of solidarity in order to oppose coherently imperialist aggression and the cronies of dictatorship, and to back with deeds the revolutionary struggles of the people and so make the way to revolution secure. We can testify to this revolutionary solidarity by acts of propaganda and solidarity in favour of all peoples who are fighting against fascism and imperialism and by acts of violence against the diplomatic and military corps, imperialism and dictatorships, as effective reprisals against their outrages.

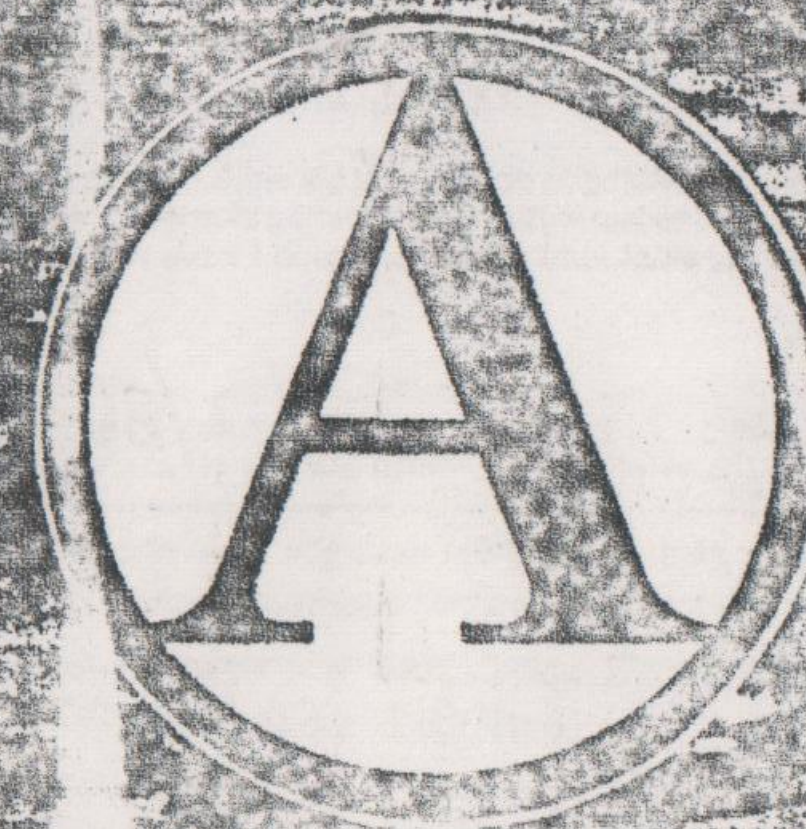

REVOLUTIONARIES OF ALL COUNTRIES UNITE FOR AN EFFECTIVE REVOLUTIONARY SOLIDARITY TO PREVENT THE EXTERMINATION OF THOSE WHO FIGHT FOR THE REVOLUTION IN ANY PART OF THE WORLD!

LONG LIVE INTERNATIONAL REVOLUTIONARY SOLIDARITY!

DEVOTE HALF AN HOUR OF YOUR TIME, THINKING JUST WHAT DEATH CONSISTS OF, THE MONOTONY OF ETERNAL NON EXISTENCE, THE TOTAL OBLIVION OF NOTHING, NO EMOTIONS, NO THOUGHT, NO ATMOSPHERE, NO TEARS, NO LAUGHTER, NO DREAMS, YOU CAN TRY AND KID YOURSELF OUT OF THIS HORRIFIC REALITY WITH YOUR HEAVENS, YOUR HELLS, YOUR AFTER-LIVES, YOUR RESURRECTION, BUT REALLY DEATH MEANS TO ~~CEASE~~ SEIZE EXISTING, THERE IS NOTHING ANYMORE.... ONCE YOU'VE DISTINGUISHED TO YOURSELF WHAT DEATH ACTUALLY IS, HOW CAN YOU JUSTIFY, DENYING ANYBODY THEIR RIGHT TO LIFE, HOWEVER BIGOTED AND CORRUPT THEY HAPPEN TO BE, MAYBE IT IS ARGUABLE THAT YOU COULD TAKE ONE LIFE, IN ORDER TO SAVE THE LIVES OF OTHERS... MARTIN: SO, NOW MANY POLICE ARE YOU GONNA HAVE BEFORE YOU REALISE YOUVE CHANGED ABSOLUTELY NOTHING AND LOST ANY POTENTIAL SUPPORT FOR YOUR CAUSE? ARE YOU MANAGE TO KILL EVERY POLICE MAN? MANY, WILL YOU BE ALIVE TO DEAL WITH THE ARMY?

RICH G: OKAY, I TAKE YOUR POINT AND RESPECT YOUR INTELLIGENCE, BUT DO YOU THINK SOME BIGOTTED S.A.B. PIG IS GOING TO? WHAT ARE YOU GOING TO DO WHEN THEY KICK DOWN YOUR DOOR AT FIVE IN THE MORNING BECAUSE THEY THINK YOU ARE AN INDICATOR OF A PLOT TO OVERTHROW THE GOVERNMENT AND THE STATE? WHERE DO YOU THINK THEY GOT THEIR ORDERS FROM?

MARTIN: YEAH, BUT PUTTING A BULLET THROUGH HIS OR HER HEAD WONT STOP OTHERS DOING THE SAME THING. IF ANYTHING, IT WILL MAKE THEM EVEN HARDER, WHENEVER YOU AGREE WITH IT OR NOT.

ANN DEE: THEY KILLED 245 OF OUR COMRADES - BY ELIMINATING THEM YOU ARE MAKING THE STREETS SAFE FOR US. NO POLICE = NO CRIMINALS, BUT THEN WHAT IS A CRIMINAL? MORALITY IS ARTIFICIAL -

RICH G: LOOK, DURING AND AFTER THE RECENT RIOTS WHICH SHOOK AND SHOCKED THE NATION AS A WHOLE, THE POLICE WERE SCARED, VERY FRIGHTENED, PEOPLE WERE TAKING TO THE STREETS BOTH WHITE AND BLACK, AND THEY COULDN'T UNDERSTAND WHY PEOPLE WERE RIOTING AND LOOTING. I HATE THEIR POXY MORALITY, 'VILLAIN' AND 'CRIMINAL' AND 'THIEF'. I AM NOT A VILLAIN, THEY ARE THE VILLAINS AND THE CRIMINALS. I FEEL ANGER AND HATRED (A WASTEFUL EMOTION) WHEN I MARK DOWN THE STREET AND AM THOUGHT, MY HEART IS THUMPING AWAY AND I'M IN A MIND TO DO IT BECAUSE THERE ARE TWO COPS STROLLING UP - EVEN IF WE GOT NOTHING ON ME - PEOPLE TALK OF 'RIGHTS'. THERE ARE NO RIGHTS IN A POLICE STATION AND CELL. THEY MAKE THEIR OWN LAWS TO SUIT THEM. 'FEAR AND GREED' ARE THEIR MOTIVES. I REGRET BOTH. MAYBE THEY 'RESPECT' A BULLET IN THE HEAD? ONE FALSEST TO A POLICE?

ANN DEE: KILLING A MURDERER DOESN'T MAKE ONE FASCIST.

MARTIN: WELL, OUR HATRED FOR POLICE AND AUTHORITY ARE SIMILAR BUT I THINK KILLING THOSE IN UNIFORM WILL LIMIT OUR FREEDOM EVEN MORE WHEN THEY CALL IN THE ARMY, AND START USING WEAPONS ON US. THE RIOTS, IN A WAY, WERE GOOD, BECAUSE THEY SHOWED PEOPLE WE WERE PREPARED TO MAKE A STAND AGAINST PARASITISM AND INEQUALITY, BUT IT WAS ALSO AN EXCUSE FOR POLICE TO USE MORE VIOLENT MEANS TO STOP REBELS. IF YOU WERE TO ORGANISE A GROUP WITH THE AIM OF SHOOTING, Maiming AND KILLING AS MANY POLICE AS POSSIBLE, THEN HOW LONG WOULD IT BE BEFORE EVERY CORNER WALKER ROUNDED WITH A GUN? HOW LONG BEFORE THE STATE FOUND A 'REASONABLE' EXCUSE TO GIVE THE PUBLIC, WHEN 'SUBVERSIVES' STARTED TO BE 'POWED' SHOT DEAD ON STREET CORNERS?

ANN DEE: ... SO YOUVE SHOT YOUR PIG, WHAT HAVE YOU CHANGED AS YOU SIT IN YOUR CELL...?

MARTIN: ANYWAY, YOU CAN DAMAGE THE SYSTEM MORE BY STAYING FREE. THIS ARGUMENT WAS RECORDED DURING THE WEEK 20/10/81 - 22/10/81 ON THE SUBJECT OF VIOLENCE AGAINST THE STATE. IF I WAS AN ANARCHIST I'D THINK CAREFULLY ABOUT THE CONSEQUENCES OF SUCH ACTION. HOWEVER, WHILE WE ARGUE, THE STATE CONTINUES TO ERODE OUR FREEDOM, THE CAPITALISTS' INDUSTRIES POLLUTE OUR LAND, THE BOURGEOISIE COLLECT THE RENT WE PAY SIMPLY TO STAY ALIVE. FIGHT WAR, BUT MAKE SURE YOU FIGHT THE RIGHT ONE. THE PROBLEM WITH THIS SYSTEM IS THAT THERE IS TOO MUCH STATE AND NOT ENOUGH SOCIETY. THE ONLY GOOD FASCIST IS A DEAD ONE. IF YOU DONT BELIEVE IN UTILISING VIOLENCE THEN THAT IS QUITE SATISFACTORY IF YOU FEEL YOU ARE DOING ENOUGH ALREADY. I WANT AN END TO FASCIST VIOLENCE AND I KNOW THAT VIOLENCE IS THE ONLY METHOD OF WIPING SUCH FILTH OFF THE FACE OF THE EARTH. I AM NOT SUGGESTING WE SHOULD ALL TAKE UP ARMS AGAINST THE STATE (NOW THERE'S AN IDEA!) I AM SAYING THAT AS LONG AS NASTY BASTARDS LIKE ME AROUND, THERE'LL ALWAYS BE SOMEONE TO MAKE SURE WE DONT ALL GET OUR HEADS KICKED IN BY THE FEEBLE MORONS WHO WANT TO INFLECT THEIR WILL ON US. I FIGHT BACK. IF YOU DONT LIKE IT THEN YOU CAN FUCK OFF AND DO SOMETHING BETTER AND STOP CRITICISING ME. ~~OK~~

BY FOD OF ENIGMA.

I BELIEVE IN ANARCHY AND  
THAT IS MY GOAL.

ANARCHY IS PEACE IN THE

THIS WAS A PRO ZIONIST MESSAGE OF JEWISH POWER BY ANN DEE NARTIAN

once i imagined myself on a station waiting for the last train on earth to arrive at the platform/somehow it seemed important at the time/which was waiting for which/was it a dream/the terror of having an infinite number of possibilities nowdays nothing so dramatic passes the desert of my imagination/there is guilt and there is action/have you ever wondered what it is like to kill a human being/neither have i/nowdays there are too many politics to swim through like wading through treacle/someone must pay for this/there is ICI and there is cambodia/science the saviour/saving what for whom/there are washing machines and there are piss hostels for alcoholic tramps/who needs washing/there is government and there is freedom/freedom to obey the law/freedom to smile at your chains/theres a concept an idea a thought but television suppresses those before they become too depressing/we can so easily be soothed into comforting reminders of our womb as we are gentled away with the passing of responsibility/we are told that we have responsibilities to our nation to our society to the state/it should be obvious by now that we only have responsibilities to ourselves and eachother/it should be obvious to all of us but it isnt is it/have you ever wondered why so many people accept so many injustices so often when the way out is so easy

there is history and there is time/if we are history we are time/logic used to be calculable in the days when ideas meant something concrete/now the only ideas we find are those locked away in prison in hospital in trapped minds and the only concrete left has been used to build tower blocks for people too desperate to need homes/vertigo is the height of insecurity/once i was waiting at a station for the last policeman on earth/theyd send in the army but which one would they choose for there are so many nowdays/theyd send in the media for the newspapers and the televisions are effective subtle and painless/there is only pain when you wake up/you only wake up when its too late/time has become history

i slept with somebody once/i cannot remember whether the gender was male or female but for some reason unknown to me it doesnt seem to matter now which it was

we look at eachother and we are strangers/even the form of the human face is the next step to oblivion/we dont eachother anymore/on a tube train/on a bus/in an office/in a tower block/sitting opposite eachother we stare at the lack of anyone else around/we are all the last people on earth/there is no one else/sometimes i have this fantasy that i want to die with someone in my arms or me in someone's arms and be buried together/but who would this person be and why/what difference would it make/would it need to make any difference/who cares anyway/there is emotion and there is logic/the waste of human potential would be directly proportional to the loss of imagination in all of us/but who can calculate the loss/is there a device capable of taking such a load/it seems to me that people are divided into fractions/there are many facets that make up each of us but yet somehow we are cut and graded and selected into fractional beings/working class people middle class people upper class people black people white people straight people gay people thick people bright people/somewhere there is a complete person who is all of these/there may even be one of each gender who possess all the qualities of a full human being/but could it be that they are everyone everywhere/the extra layers of our sleeves are hanging in a transient shroud hidden by centuries of external conditioning/it is up to each and every one of us to discover our full selves/we all pay on demand when we should all demand our pay/its hard to be payed but it pays to be hard/this is unfortunate/this is life/there can be no spectators/escapism is not freedom

work is just a way of wasting time  
and money makes it all seem just a little easier  
you shout about the monarchy  
you shout about anarchy  
but when you realise its all for nothing  
does it really matter which way you die  
or which hands hold the gun  
is a marxist murderer any better than a nazi one  
there is no freedom  
there is no peace  
there is only that waste of time that people call life  
and dont try and tell me about law and respect and desire and dignity  
because all i want is fame and money so i can throw it in your face  
you fuck a woman you fuck a man you buy a car a house an insurance policy  
then they wipe you out in a nuclear blast and youre just another number  
on a computer another mouth less to shout and cry  
and another person less to type out poems like this one  
and nothing else matters when your reason for living is dead  
and the sum total of your existence is fuck all

PRINTERS, CLOTHING MANUFACTURERS, FOOD DISTRIBUTORS & PACKAGERS,  
TOOL MAKERS, INDUSTRIES INVOLVED IN THE MANUFACTURE OF MATERIALS  
FOR THE DEAF, BLIND AND HANDICAPPED: WE WORK FOR THE STATE. THIS  
MEANS, FOR INSTANCE, THAT WE GROW FOOD WHICH IS BOUGHT BY THE  
STATE (EVER HEARD OF THE MINISTRY FOR AGRICULTURE, FOOD AND FISHERIES?)  
AND SOLD TO SHOPS WHERE WE ARE THUS MADE TO BUY BACK THAT WHICH  
IS OURS ANYWAY. SO WHAT. IS THE ANSWER? SIMPLE! WE DO NOT NEED  
TO WORK FOR THE 'CAPITALIST BOURGEOISIE' (THAT'S THE BOSSES TO YOU, MATE.)  
WHEN WE CAN WORK FOR OURSELVES AND EACH OTHER. TAKE CONTROL OF  
THE WAREHOUSES, FACTORIES, OFFICES AND DEPARTMENTS. WE ARE NOT FOOLS.  
YOUR WORKPLACE IS AS VALUABLE TO YOU AS AN S.L.R. TO A MILITANT ACTIVIST!  
TAKE OVER YOUR PLACE OF WORK AND YOU CONTROL THE WEALTH OF THE NATION.  
WE HAVE AN INALIENABLE RIGHT TO DECIDE OUR FUTURES AND DISTRIBUTE THE  
GOODS WE CREATE TO EVERYONE. THIS ALSO MEANS THAT INDUSTRIES WHICH PRACTISE  
THE ABUSE OF ANIMAL LIFE FOR THE TESTING OF COSMETICS (FOR EXAMPLE) WILL BECOME  
OBSOLETE AS SUCH GOODS ARE BOURGEOISIE ANYWAY AND LIKEWISE WHY BOTHER WITH  
THE ADDITIONAL EXPENSE OF REAL FUR AND REAL LEATHER WHEN THERE ARE ABOUT  
SIX TIMES THE NUMBER OF SYNTHETIC PRODUCTS OF EQUIVALENT VALUE AND DURABILITY?  
TOGETHER WE CAN IGNORE THE GOVERNMENT, WHETHER IT BE  
LABOUR, TORY OR SOCIAL DEMOCRAT. REMEMBER: THE STATE  
IS ONLY POWERFUL WHILE WE ARE ON OUR KNEES, BEGGING:

Let Us Rise! Anarchy Now. O THE APOSTLES.

## TIME

the radio spews out a dull monotone 'today the weather is cloudy and over  
cast - rain later - the time is half past eight - rush hour'  
TIME what is time? seconds minutes hours days months years/time is a ruler  
time is a master/another part of the system/it dictates many things -  
TIME is subtle -

TIME is -

TIME -

MOTHER wake up son - its time for you to go to school -

FATHER right son - its time i taught you a lesson - this is going to hurt  
me more than you -

if you really start to think about 'time' you'll see how important it is -  
the alarm clock the shrill shattering sound a most hated piece of machinery  
the curse of the worker OH GOD ITS HALF PAST IVE SLEPT IN IVE ALREADY BEEN  
LATE TWICE THIS TIME I'M FOR IT -

for most thats the start of a pretty average (?) day then a near suicidal  
rush to work running for buses/trains that are always late - carelessly  
tripping falling impatient pushing irritable - packed in like sardines and  
wrapped up in copies of THE SUN/DAILY MIRROR/FINANCIAL TIMES according to  
what class and station - all pretending to read too frightened to face each  
others blank worried faces - clocking in - tea breaks - lunch time - now it  
is time to go 'home' another frantic rush another jam another crush another  
cigarette - with 'work' behind you until tomorrow - time to 'enjoy yourself'  
time the pubs open tv time (i hate the way just as youre finishing the meal  
they show you a line up a list of all the great programmes from 6.00 until  
12.00 so you'll sit there and watch every one until the little dot disappears  
- apathetic fool face in the screen entertainment eyes glued - what is your  
perversion - CORONATION STREET/CROSSROADS/KRYPTON FACTOR/DALLAS - tv chewing  
gum for eyes - you havent the intelligence to be bored - ever looked at a  
concrete tower block at night - brightly lit cells - ever wondered what all  
these people are doing - watching tv - frightening isnt it -

still thinking about time? GOOD.

TIME IS relaxing - tv paper wife slippers -

TIME IS enjoying yourself - another fix time for another beer john -

TIME IS pain - suffering dying hospital beds misery awaiting deaths release -

TIME IS money - work -

TIME IS freedom - those two weeks every year -

TIME IS boredom - school the best years of your life -

TIME IS thinking - about what might have been fantasy -

TIME IS escaping - sleep dreams drugs -

TIME IS an internity - prison -

TIME IS a killer - four minute warning -

TIME IS their norm their morals their ignorance their oppression their bore  
dom their freedom -

TIME IS TOO SHORT/WHY WASTE IT?

if you want to conquer freedom then you must first conquer time - people are  
always frightened of something they dont understand - anarchy is frightening  
because ANARCHY IS FREEDOM - give them time to learn to understand -

ANARCHISM - this time it is for real.

RICH G (1981)

### LEAVING HOME

LEAVING HOME IS ABOUT AS EASY AS SWALLOWING A CYANIDE PILL. ALL YOU DO IS FIND AN EXCUSE TO LEAVE WITH THE MAIN ONE ALREADY IN MIND TO EXPEL THE PARENTAL RULES FROM YOUR LIFE WHICH MANY OF US TO ME CAN DO WITHOUT. I AM WRITING THIS THE DAY AFTER I LEFT HOME AND I'M THE HAPPIEST PERSON ALIVE. I CAN THINK OF SO MANY PROBLEMS THAT WILL OCCUR IN TIME BUT FUCK THE PROBLEMS AT THE MOMENT. ALL I WANT IS TO EXCLUDE THE PREVIOUS 16 YEARS OF MY LIFE FROM MY DISORDERED BRAIN. NOW I AM SURE I HAVE MADE THE RIGHT DECISION, SURE, I'M POSITIVE.

I'LL TELL YOU A BIT ABOUT MY FAMILY. MY MUM & DAD WERE IN SINGLE SEXED CATHOLIC BOARDING SCHOOL UNTIL THEY WERE 17. THEN MY MUM WENT ON TO BE A NURSE, AND MY DAD IS NOW A BLOODY ESTATE AGENT WHO IS VOTING FOR THE BOMB TOGETHER WITH MY MOTHER. IT HONESTLY MAKES ME SICK THAT PEOPLE CAN BE FOR THE BOMB, WHAT IS THE POINT ANYWAY, ENOUGH ABOUT THAT. MY GRANDFATHER IS A MAGISTRATE OF ALL THINGS, AND MY AUNTY IS A VIVISECTIONIST IN A CANCER RESEARCH CENTRE AND MY UNCLE WORKS FOR THE GOVERNMENT. BLOODY HELL I'M SURROUNDED BY EXAMPLES OF PEOPLE WHO I TOTALLY DISAGREE WITH, IN WHAT THEY ARE AND WHAT THEY ARE DOING, AND THEY WOULD HAVE TO CONSIST OF MY FAMILY. NO WONDER I'M SO FUCKED UP ABOUT LIFE. MY SISTER THE STUPID MUG IS ALRIGHT BUT SHE HAS GONE IN THE DIRECTION OF MY MUM'S STEPS, DOING WHAT SHE'S TOLD, DRESSING NICELY, GOING TO NICE LITTLE PUKY DISCO PARTYS... UGH.

WELL NOW I'VE DONE IT. I'LL EITHER GO BACK FOR A FEW MONTHS AND LEAVE IN MAY 82 OR JUST GO BACK TO COLLECT SOME THINGS. IT DEPENDS ON WHETHER THEY BEAT ME UP LIKE THE LAST TIME I TRIED TO LEAVE. BUT WHAT DO A FEW BROKEN LIMBS AND BRUISES DO? IT CERTAINLY DIDN'T MAKE ME CHANGE MY MIND. SO I HAVE LEFT MY PROTECTIVE CAGE OF AN ASYLUM TO LIVE IN UNITY AND PEACE AWAY FROM MY FUCKING MANSION OF A HOME.

I WAS ASKED TO WRITE THIS, BUT I THOUGHT IT WOULD BE A GOOD IDEA TO SHOW OTHER PEOPLE WHAT PEOPLE LIKE ME ARE LIKE DESPERATELY TRYING TO FIGHT FOR FREEDOM.

AGAINST OUR PARENTS WHO KNOW NOTHING ABOUT WHAT IS REALLY HAPPENING IN THE WORLD TODAY, SO THEY JUST FLICK A DUSTER AROUND THE HOUSE OR SIGN THEIR NAME ON A TYPED OUT LETTER THAT THEY GET THEIR SLAVE LIKE SECRETARY TO WRITE OUT.

there is a demo tape available by 12FT<sup>3</sup> who must surely be one of the most original, interesting and yet musical groups to surface from this year... send a C60 or £1 to Andrew and listen to music instead of the utterly patronizing pseudo political sloggnering of no hope punk bands who have nothing better to do than copy CRASS or THE EXPLOITED... PUNK = OBLIVION. do you really need to walk around looking like an idiot as your only method of 'smashing the state'... GROW UP or go and prove that 'punk' is actually worth something - a band called SIX MINUTE WAR stated what 'punk' meant on their e.p. 'more short songs' and if you can't accept that then you must be as stupid as you look... "FUCK THE PUNKS/PUNK IS FUCKED" and that was sung by your heroes REMEMBER? well I don't need your fashion clone mentality... OKAY?

outside the observation turret. 'It's not an observation turret, it's  
the outside toilet,' said Mr. Toke, the colonel of the dining room.  
'Call it what you like, I saw her, I tell you.' Derk...  
started to become anxious, for he knew that the woman he  
saw must have been desperately lonely by now. 'There are  
no... no females, Taylor, remember that,' reprimanded Mr. Self,  
oblivious of the hideous face whose gelatinous, distorted mass  
of flesh pressed against the window... crying and lonely.

Q45

1811. There are two subjects / to be taken up as inseparable  
of organizing and living our lives without direct and indirect intervention  
from a small elite group of people who have never seen need and who  
group of people is known as 'the government' and apparently they  
have a self imposed right / privilege to decide for us how we  
are to live our lives / they actually believe they are capable  
of organizing to tell us who we may or may not sleep  
with and when / yet we say 'there must be a government...'

"I AM BEGINNING TO THINK THAT K.Y.P.P. IS THE ONLY MAGAZINE WORTH ANY MORSEL OF ATTENTION AFTER ENIGMA... WHY CAN NO ONE ELSE SAY WHAT THEY REALLY MEAN? BECAUSE THE TRUTH IS TERRIFYING..."

In the anarchist international there are factors prevalent which incite and perpetuate the myth of 'revolutionary struggle' as seen through the eyes of the spectacle. The spectacle wishes us to conceive a vision of 'revolutionary armies' marching militaristically across wide open plains of burning desolate scenery set against the carnage and destruction they have wrought from their struggles against imperialist oppression. Does freeing oneself from the attitude of oppression necessarily require the wanton annihilation of people and property the world over? What exactly do we mean when we talk of 'society' and of 'them' and 'us'?

Vegetarianism is not omitting meat from our diets. It is the understanding of why we wish to boycott dead flesh from our digestive systems, and of knowing how the exploitation of millions of animals has brought about multinational industries based on death, living off death, feeding the masses with meat from mass slaughters. It gives you back your dignity. When Matt informed me he was a vegetarian as from January 1st this year (1981) I made an effort to understand why...why bother? He explained some vital facts and my conscience did the remaining work for me. How could I, after all, refer to myself as an 'animal lover' while being prepared to take part in the exploitation/destruction of the value of life by eating the fruits of that exploitation/destruction?

'What do you want?'

A Buddhist woman living in the Derby Lodge infamous squat in Kings Cross a few miles from death valley (Tonbridge Buildings) used to ask us all 'what do you want?' meaning, we supposed, what did we want at that instance. Food, and then line of sulphate, a safety pin because these trousers look like flares, a new copy of Kill Your Pet Puppy because that \*\*\*\* stole the Crass interview and a packet of cigarettes. That, then, is the sum total of what they needed to make their lives worth living? We realised after a while that what she was in actuality trying to impress on us was to evaluate the criteria which constituted 'satisfaction from life' and of course that question was considerably more complex/a situation difficult to resolve. What do we need for ourselves? Peace? Freedom? 'Anarchy'? What did we want then? I can answer that question now even though it has taken me many months (over a year perhaps) to even begin answering that question with any degree of honesty.

- 1 I need to be understood as I need understanding. I see people talking but I rarely hear what they are saying. People will not understand rather than do not understand. There is much room for thought.
- 2 I need to feel that people somewhere care about each other. I want to be able to say that I genuinely feel for other people. But do I?
- 3 I need acceptance. Accept those people whose views differ from your own. To do that you need to feel that they in turn accept you. Do they?
- 4 In order to be able to associate with people you need to communicate. But I want to do a lot more than just 'associate' with people, and that requires communication and understanding. I need space in which to communicate first and then I need the ability to accept that many people will not have bothered to think about the consequences of their actions any more than they have thought about the motives behind their own prejudices and bigotry.
- 5 I need to come to terms with those areas of me which I am at present unsatisfied and unhappy with. To know oneself is a career which can take many years when you are living in a free environment. How can we know ourselves and

appreciate ourselves when we live (survive/exist) in an environment which has its roots based in competition and fear/faith and hatred? All around us we are given signals/signs/paper tigers/images of how we are supposed to be and all the time there are messages of insistent uniformity instructing us as to how to behave and how to act and how to react in and to situations invented and fabricated by and for the structuralism of our spectacular society.

'What do you want?'

FOOT D (of Kill Your Pet Puppy) WOULD HAVE US KILL SKINHEADS IN ORDER TO KEEP THE STREETS SAFE FOR PUNKS TO WALK THROUGH SAFELY/IT IS THE ONLY THING THEY UNDERSTAND (HE SAYS) AND IN ANYCASE THEY SURVIVE IT FOR WALKING AROUND WITH THE MENTALITY OF VIOLENCE IN THEIR HEADS -

If we are to search out 'skinheads' and kill them then surely we must have a grossly dubious mentality/attitude of mind while walking about looking for our victims? I do not see how you can put down someone's mentality if you are willing to consider adopting that same mentality against those who you accuse in the first instance. I do not see how killing 'skinheads' solves anything other than prevent the chance of a 'skinhead' wanting at least mentally, to kill you in the future. KILL KILL KILL. I myself have been beaten up, abused to the point of tears, by what you call skinheads simply for wearing the star of David, which, incidentally is a badge I chose to wear for just the same reasons which I sometimes wear hammer & sickles, swastikas, union jacks and other more esoteric badges. If I want to then go out and do the same to them as they have done to me, what validity is there in any criticism I might make concerning their antisocial behaviour?

What is a 'skinhead'? For that matter, what is a 'punk'? Both are worthless examples of self imposed pigeon holing, self imposed restrictions which can often result in compromise/the modification of one's behaviour and attitudes in order to suit the particular sect/army you have chosen to become a mindless part of. To become a punk is to become a nonperson, a label, a facet of the army you will defend so that it can rob you of thought, individualism and the ability to be YOU for as long as you chose to ignore yourself.

SELF-WORTH. THE ABILITY TO APPRAISE AND APPRECIATE YOURSELF AS YOU ARE DESPITE OF AND INSTEAD OF THE CLOTHES YOU WEAR OR THE BELIEFS YOU UPHOLD. PSYCHE...

YOU HAVE ALLOWED YOUR SELF to be APPROPRIATED by the sect/group/army and thus if you wish to take back your self then you must expropriate that which is you from the sect/group/army...and refusing to be merely a 'member' of that sect/group/clan/division/army is the best is most effective and efficient way of securing that goal. THEN you can start on the expropriation of wealth/property/materials from the state...I suppose...

I ACCUSE YOU OF BEING ANTI-GAY.

I ACCUSE YOU OF BEING SEXIST.

I ACCUSE YOU OF BEING RACIST.

If we accept that which is within us as being true and honest then the true accomplishment of emancipation of the self is a forgone conclusion. When we say that we 'don't like homosexuals' then not only are we denying people the right to existence but we are also being insulting to assume that a collection of people can be grouped under one title. But to say 'I will not accept the label GAY' in people who, for reasons of solidarity or self identification, wish to use that title, is also a subtle but serious insult to those persons' being. I can construct many reasons for suggesting that the labelling of ones self as GAY for instance, is counter productive and restrictive to the persons but that is a separate line of argument, and it is I feel, reasonable to accept that, in a society where such is unreal, twisted and untrue, measures of the kind such as saying 'I am gay' or 'I am a feminist' are often justifiable if rather sad, simply because people should not have to adopt an extra label for themselves in order to exist as a whole within the society in which they live. This argument applies to the patronisation of people because of their skin colour as does the attitude towards women need evaluating when words like

ke 'possession'/'love'/'devotion' are a frequent stigma within our society. I am not trying to tell people what to believe. I am trying to show people that the way they view themselves, the way they view others, the attitudes we adopt and the beliefs we uphold are not necessarily always as much a result of our own personality as we would think. How much, in fact, are our beliefs, attitudes, views and ideas, a product of this systems' conditioning, our parents perpetuation of that conditioning by inflicting that conditioning upon us as children willing to accept everything we are told. Are many of us still children willing to accept everything we are told/shown/instructed to believe/forced to deny/persuaded to give faith...there can be no spectators when the final act of degradation is performed, performed upon us, the victims of a play that we have not written. How much, conversely, are we victims of ourselves? How much though, are we 'victims'? If we believe ourselves to be victims of a system, are we not implying then, that we have been vanquished, defeated by that system? A victim, by definition, is a loser; a statement of victimisation is so often an admission of defeat. Why be a victim when you can be a threat?

...BUT WITHOUT A GOVERNMENT, WOULDN'T THERE BE RAPE, MURDER AND CRIME ALMOST CONTINUOUSLY AND WHO WOULD RUN EVERYTHING AND HOW WOULD DECISIONS EVER COME?

What stupid questions! If ever people are granted the freedom to make decisions for themselves about how to run their own lives, I live in morbid fear of the consequences. We'll need a strong government to rescue us from chaos and take 'control' I suppose? That, you see, is where the state has its' most effective weapon: having denied people their inborn ability to control and organise their own lives for so long and having substituted trust for faith and fear in 'the government' utilizing both fear of punishment and coercive force as subtle weapons against individualism, is it really surprising when people find the idea of ultimate freedom so frightening? In a system based upon the idea of trust, responsibility for oneself and ones' actions becomes important and essential, so much so that crime would cease to exist if only because the meaning of the word 'crime' would have to change when laws based upon imperialism and force, faith and fear, no longer apply.

OBSESSION/POSSESSION - a fear of chastisement, a faith in moral values. An attempt at individualism could have said to have been made after gay liberation from about 1974 onwards. Surely the existence of people wishing to co-operate with each other both through work and in their private lives in a pattern totally outside and contrary to the demands of the state would result, one would have thought, in an end to the repressive/oppressive/depressive moralism of attitudes and instilled beliefs based upon mythical codes of practise and values within the nuclear family? However, this is far from the case: what in fact, has occurred is a spectrum of deviation from true self, a combination of alter-self repressions due to an inability to live out the existence and hope of a natural lifestyle created by that revolution. Instead of BEING and there by living lives as directed by ones' own intuition, free from morality and other false values, what happened was this: when people became coupled in a relationship, they became aware of the absence of any model in the past for self identification and consequently acted out their lives as shadows of their heterosexual counterparts, such as adopting 'butch' and 'femme' roles, actually in some cases, going as far as to construct a husband and wife out of each other, regardless of gender or the needs of each other. People, it seems, need to base their lives upon the patterns and styles of some quasi control experiment, a model family or couple, a preset existence complete with values, morals, expectations and demands, all of which the desire to be satisfied with life becomes confused with the desire to attain and adhere to that mystical mythical structure of 'how to be'. There is an idea, a structure, of how we should dress, what we should believe in, how we should meet other people, what we are to say under certain circumstances, how to react to various situations, all based around some ideological and philosophical concept of what a human being should and should not be. Does that idea sound absurd? Incorrect, even? Okay.

Have you ever laughed at someone who is deformed in some way? Have you ever not shown grief at someones' death when they're a part of your 'family'? Have you ever shown affection towards someone of your own sex even in a non sexual way? Have you ever begun to express a belief or idea about say, the church or an institution respected by 'society' contrary or conflicting with an accepted code of values? What has been the reaction, effect and result from any of the above situations?

Tell a joke = laugh. Daddy dies = cry. Uncle has sex with niece = horror. A woman wants to be an engineer = ridicule. A person says he thinks God is a cunt = blasphemy. A teenage person takes drugs = disapproval. A person wears a set of clothes widely different from many other people = confusion. 'These are the right morals' (The Ugly Truth by Carnage 1980). Are we to assume then, that to behave or act or speak in ways contrary to this mythical supposition of the ultimate being, the concept of human beingness, is a crime, a misdemeanour, an attitude of revolt? Is it possible, though, that pretending to feel something for someone or some situation to suit that myth and to escape chastisement, is in itself a far greater 'crime' or misdemeanour? When we behave in ways which are expected of us if they are contrary or different to what we actually feel or want to do, we are lying and therefore we are being dishonest both with our selves and with other people. We are saying, when faking grief at someones' bereavement, 'I do not really feel this way but my fear of chastisement and ridicule is more important than being an honest with you and being honest with myself'. Don't you think people deserve better than that? Do you not feel that in life, YOU deserve trust, honesty and acceptance for what you are? How on earth can any of us be expected to survive even emotionally, under a system where there is no government or controlling force, when we have yet to free ourselves from the myths and morals of this expectation of behaviour, this adherence to a concept of being?

MARRIED SLAVE, BLACK SLAVE, SOCIAL SLAVE, SEXUAL SLAVE: SHALL I BE THE PART OF LITTLE LORD JAMES. AND THE HEATHEN SHALL BE PUNISHED BY A BUDDHIST IN THE HEAVEN.

'I am no feeble Christ, not me. He hangs in glib delight upon his cross.' I have yet to become that which is me within the complete and utter sincerity of what I actually am; to know oneself is also to know life, and when faced with a society which perpetuates faith in icons, idols and myths, fear of paper tigers, Gods and governments, and instilled belief in codes of practise foreign from and alienated to our real being, then there comes a time when we must face reality and come to terms with living our lives under duress. How can the sick fight the sick and expect a healthy victory?

Finally, shall we consider making an effort NOT to use words like 'Bad' and 'Good', 'Right' and 'Wrong' when resolving issues or contemplating situations? Words like these are merely relative to values which we hold and under the realisation that some of those values may indeed not even be our own, I do not see how we can judge or decide the merit of a given situation or idea with any degree of accuracy. We have yet to be able at times, to decide and to know what is 'good' for ourselves, therefore to say that something is good or bad is an inestimable product of bigotry and prejudice.

FAITH IN ANYTHING IS ABSOLUTE THEREFORE FAITH IS OFTEN DANGEROUS.

My gratitude and appreciation is offered to everyone who has assisted with the struggle to understand ourselves and each other/such is life/
