- AL.I.40

"thou hast no right but to do thy will. Do that,  
and no other shall say nay."

AL. I. 42-3

"Every man and every woman is a star."

AL.I. 3

there is no god but man

1. Man has the right to live by his own law -  
to live in the way that he wills to do:  
to work as he will:  
to play as he will:  
to rest as he will:  
to die when and how he will.
2. Man has the right to eat what he will:  
to drink what he will:  
to dwell where he will:  
to move as he will on the face of the earth.
3. Man has the right to think what he will:  
to speak what he will:  
to write what he will:  
to draw, paint, carve, etch, mould, build as he will:  
to dress as he will.
4. Man has the right to love as he will:-  
"take your fill and will of love as ye will,  
when, where, and with whom ye will." - AL.I.51
5. Man has the right to kill those who would thwart  
these rights.  
"the slaves shall serve" - AL.II.58  
"Love is the law, love under will." - AL.I.57

## MODERN ENGLISH: I Melt With You

Months of preparation//end result of nearly nine years of their collective live context, the band LP has aired in a profile. Committed as the recording. In rehearsal examine their approach.

## SCRITTI POLITTI: Asylums In Jerusalem

Backbone version - lucid exercise fine art ad consummate for Dunhill. SP's Green is, of course, bulbous. No, we will in style. Very us. We do our very clever produce.

## SHRIEKBACK: Tench

"EMI is like a hundred feet down into the ground, it's foundations are so solid. You could no sooner change the way they think than you could knock down their building in Manchester Square." (D. Allen, Shriekback)

## FLIPPER: Album Generic Flipper

The great acid bum 'Generic Flipper'. Pet, what are the toads doing? Francisco in the swamp. Punk drivell in your ear. So far from great acid, wondering: what are the toads doing?
