One Spirit - Women's Spirituality Group

Defining spirituality is hard to capture in a way that does it justice. Is spirituality tangible? Is it explainable?, what is it? Society today offers quite a pick and mix of religions and alternatives. The group is a discussion forum 'exploring spirituality with women of diverse faith and experiences' held at 8pm on 4th Wed each month at the Lesbian Centre, NWC 30 Chaucer St, NG1 5LP

28 June - What is our concept of spirituality?

26 July - Is spirituality merely a temporary reaction to immediate circumstances or does it touch upon deeper questions of our identity and our ideals?

23 Aug - What do we do with it once we have found it?

WAG Reunion

WAG - to be or not to be that is the question? After a very enjoyable and successful reunion, the general feeling was that WAG did have a future. WAG has been in existence for over 10 years, provides a safe and friendly environment for Lesbian women to meet and socialise on a monthly basis. Unfortunately, over the last few years numbers have depleted dramatically. WAG needs Lesbian women both socially and in terms of support to new women. It also greatly needs volunteers to run and organise the group. Next WAG nights will be 9 June, 14 July, 11 Aug -we look forwards to seeing you there.
