

NEW CLEAR VISION

NEVER
IN THE FIELD OF HUMAN
CONFLICT HAS SO MUCH
BEEN FUCKED UP BY SO
FEW IN SUCH A SHORT
SPACE OF TIME!

A NEW CLEAR REACTION!

We spend our lives chasing after things we never had and never will have thinking that we own them. We own nothing all we have is all we came into existence with... **OURSELVES**, that is all we can say we own. That is all you have from birth to death, so why do you spend your time striving for money and possessions, carrying them on your back as you run down the path of life as if it were a race until you collapse exhausted, dead at the end never having achieved anything but making money for others greed, who say they own you, that they may spend on the destruction of others, those others are humans, people like you, your brothers your sisters, raped, burnt, mutilated, humiliated, starved, deprived for your greed, for THEIR greed, for the greed of those above you for the retribution of those below you.

And their foul madness does not stop at humans at people they have never met, they destroy animals too, and worse the very planet you live on that you think is so secure, or that you think is so vengeful, What gives THEM the right? you do! you fuel their hunger, their powercrazed lust, and as you do they laugh at you exploit you and steal all that you think you own from you. You have nothing but yourself, your own freedom, and the love of your brothers, your sisters, and yet you think you have so much more, they teach you that you own the world, the world is not yours to own, the world is not theirs to destroy

REACT! you don't need this system, you don't need their LIES and their GREED all you need is what you truly have... yourself, your freedom and the love of your brothers, your sisters.

Any pain endured for a long time dims to a dull throb. Anything horrific which shocks us will in time become nothing and a greater shock will be needed to jar us out of apathy, like a heroin addict the dose must be steadily increased to take effect. As we see and hear of El Salvador, police brutality, vivisection, rape, we begin to accept it and our reaction lessens.

This apart from making us apathetic and blase will hinder us in reaching out to people who still after all our campaigning do not know. We begin to say 'Sure the police are bastards, but what can we do?!' The police are still human, and treating them and writing them off as unfeeling robots won't achieve much.

I dunno, during the beginning of Summer I felt we were making progress gaining new people to our movement who had opened their eyes to see all this shit around them, questioned the values of society, their reasons for working, saving, buying, for indirectly giving money to the arms trade, to the **Multi Death Corporations**, maybe it was just me looking at it with fresh eyes, after a while as I say it all dims to grey, you accept people calling a hippy and you get on with your day to day life. **WE MUST'NT!** We must remain as children, we must remain 'empty-headed' and open minded. **REACT CHILD OF THE UNIVERSE!!!!**

As Flowers in the Dustbin say 2+2 can make 3'!!!

GOD!!! AIN'T IT EASY TO PREACH. IT'S SO EASY TO REEL OFF THE SAME OLD Cliches. THOUGH EVERY ARTICLE WE'VE WRITTEN HAS BEEN WRITTEN WITH A LOT OF FEELING, IT'S STILL ONLY INK ON PAPER. I FEEL REALLY.....

'DISILLUSIONED' IS TOO STRONG, BUT YOU KNOW WHAT I MEAN, THE 'SYSTEM' HAS BEEN GOING SINCE BEFORE CHRIST, PEOPLE WHO SEEK TO GOVERN FOR PERSONAL GLORY, AND THE POWER OF LEADING PEOPLE, HAVE BEEN RULING AND OPRESSING US FOR THOUSANDS OF YEARS, NO WONDER THIS SMALL REVOLUTION, LIKE SO MANY BEFORE IT IS SLOWLY BEING ASSIMILATED AGAIN, THE PHYSICAL STRAIN OF REJECTING IT, HOWEVER STRONG OUR BELIEFS, HOWEVER GREAT THE NEED, IS IMENSE. GIVING UP MEAT AND LEATHER, REFUSING TO PAY FOR ARMS, MANUFACTURE OR DEPLOYMENT, BEING A PEACE CAMPER, IT'S A STRAIN AND SO WE NEED EACH OTHER MORE THAN EVER. WE NEED TO COMMUNICATE

ABOUT THINGS THAT MATTER. SOME THINGS ARE IMPORTANT IN LIFE, THE SYSTEM CONFUSES US, THEY TELL US OUR EAR-RINGS MATTER "WORRY ABOUT YOUR MONEY," "WORRY ABOUT YOUR CAR," WE GET SO CLOGGED UP EVERY DAY WE CAN'T THINK AND WE DON'T.

FREEDOM MATTERS, CHOOSING A WAY OF LIFE MATTERS, REALISING WHO YOU ARE AND THAT YOU YOURSELF REALLY MATTER. DON'T BLINDLY ACCEPT IT ALL. REACT!... ANYWAY WHAT I WAS SAYING WAS THAT IF YOU WANT TO CONTRIBUTE, OR WRITE TO US TO SAY HELLO AND JUST COMMUNICATE DO, THAT'S GREAT. WRITE TO NEW CLEAR VISION

ANARCHY + PEACE

WHEN WE ARE TOLD THAT WE'VE BEEN AT PEACE SINCE 1945 WE KNOW THAT IT'S A LIE. WE HAVE BEEN AT WAR SINCE WE WERE BORN. WE ARE AT WAR WITH THE STATE. WE ARE SLAVES TO THE STATE AND "ANARCHY" IS OUR ONLY WAY OF BREAKING THE CHAINS THAT BIND US. ONE OF THE WAYS WE CAN FIGHT THE SYSTEM IS BY OPPOSING WAR. WHEN YOU OPPOSE WAR YOU CEASE TO BECOME PART OF THE MACHINERY OF WAR. BY BEING A "PACIFIST" YOU WON'T IMMEDIATELY STOP WAR BUT AT LEAST YOU'RE NOT CONTRIBUTING TO THE SLAUGHTER OF OTHER HUMAN BEINGS. PACIFISM IS PART OF YOUR CONSCIENCE, A CONSCIENCE THAT LEADS TO HOPE.

WE AS PACIFISTS ARE MADE TO LOOK STUPID AND IGNORANT, WE ARE TAUGHT THAT WAR IS NATURAL, THAT VIOLENCE IS THE NATURAL STATE OF MAN/WOMENKIND. WE ARE TAUGHT THAT HUMAN BEINGS ARE BASICALLY EVIL. HAVE YOU EVER THOUGHT TO QUESTION THIS? THAT SORT OF THINKING FUELS THE STATE'S DESIRE TO KEEP US IN OUR PLACE. WE ARE TOLD THAT WITHOUT LAW AND ORDER WE WOULD ALL BE RUNNING AROUND SHOOTING EACH OTHER. WE KNOW THAT THIS IS A LIE.

WE HAVE TO STAND UP FOR OURSELVES AND SHOW THAT THERE IS AN ALTERNATIVE TO ALL THE SHIT WE'RE FORCED. THINGS CAN BE DIFFERENT BUT ONLY IF WE'RE PREPARED TO WORK FOR IT. "ANARCHY" IS THE ALTERNATIVE.

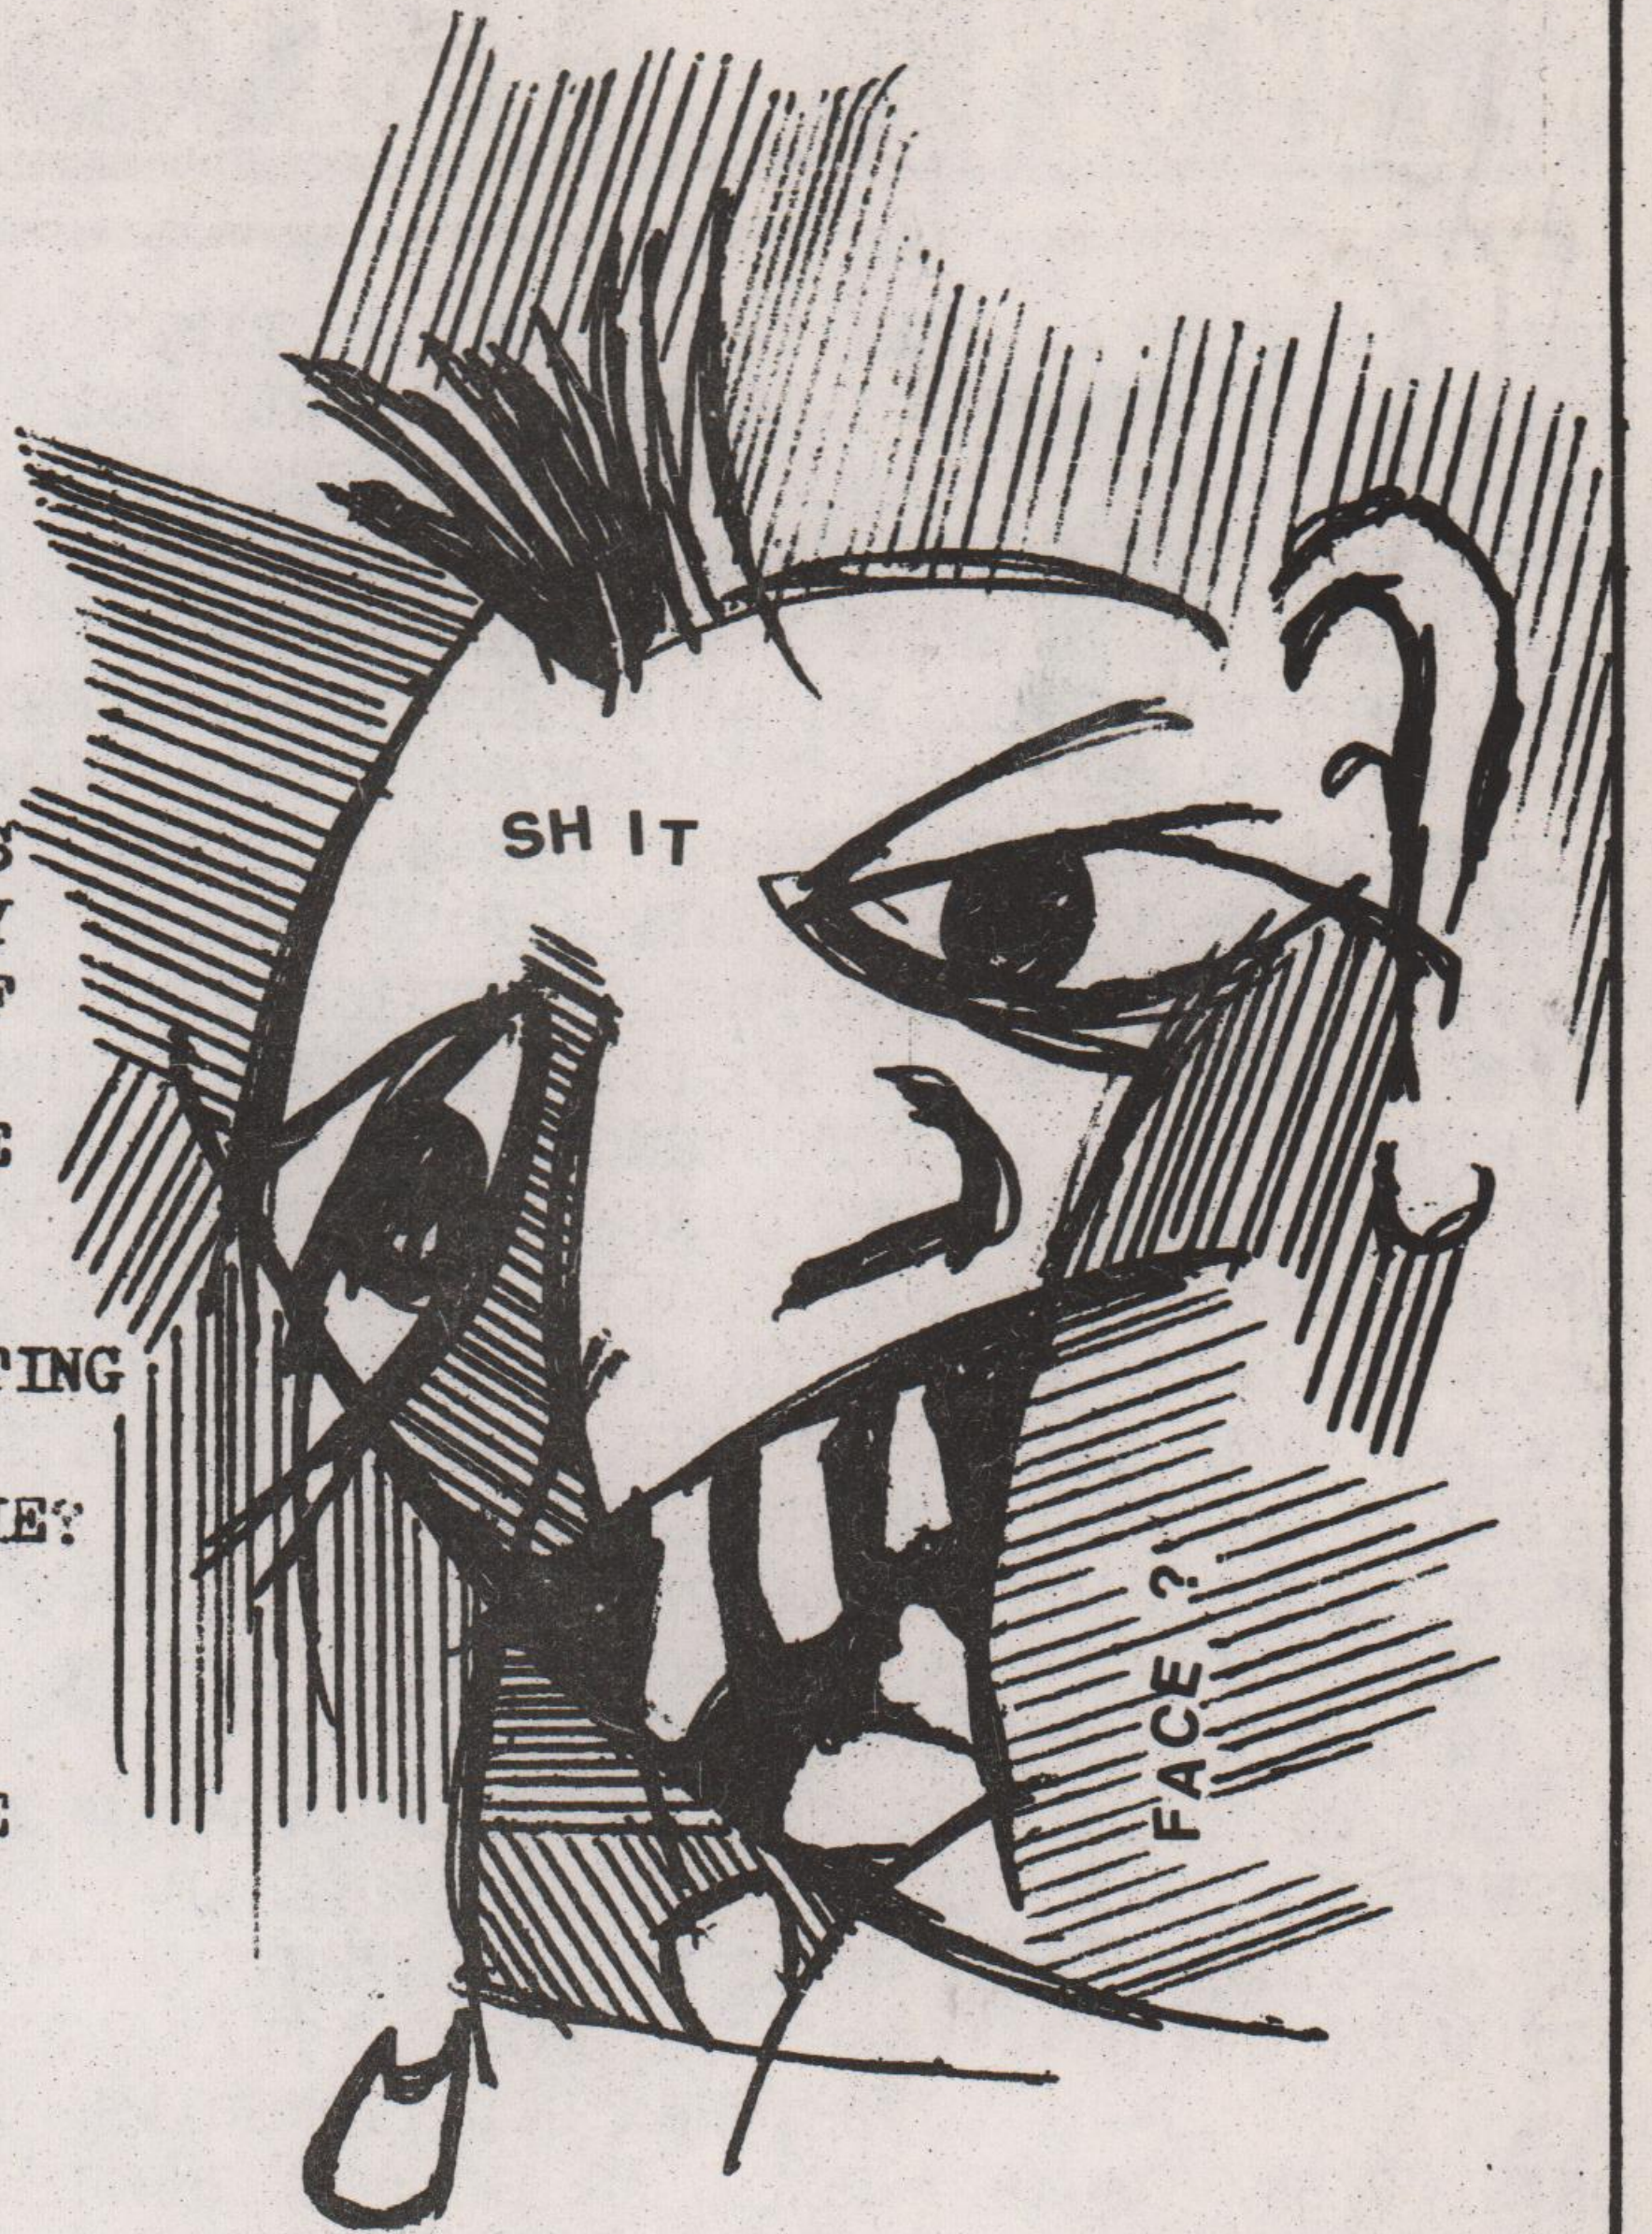

MOST PEOPLE ASSOCIATE "ANARCHY" WITH CHAOS BUT THAT'S RUBBISH. ANARCHISM IS ABOUT SELF CONTROL. IT'S ABOUT LOVE AND TRUST AND LEARNING. "ANARCHY" MEANS EVERYBODY HELPING EACH OTHER. IN A STATE OF "ANARCHY" YOU WOULDN'T NEED LAW AND ORDER BECAUSE PEOPLE WOULD BE CO-OPERATING WITH EACH OTHER. AS ANARCHISTS WE BELIEVE THAT HUMAN BEINGS HAVE THE CAPABILITY TO LIVE WITH EACH OTHER WITHOUT BEING AGGRESSIVE. "ANARCHY" STEMS FROM A SENSE OF RESPONSIBILITY TO FELLOW HUMAN BEINGS. "ANARCHY" HAS NO LIMITS, IT'S LIMITLESS IT'S "YOU".

"ANARCHY" IS A SENSE OF JUSTICE THAT YOU ALONE CAN COME TO TERMS WITH. IT'S THE FREEDOM TO LIVE YOUR OWN LIFE AS YOU CHOOSE AND ALSO TO RESPECT OTHERS FOR DOING THE SAME. "ANARCHY" IS A PERSONAL DECISION, THE SAME AS PACIFISM IS. THE TWO ARE INTERLINKED BECAUSE THEY SEEK TO DESTROY THE MYTH OF VIOLENCE WE ARE BROUGHT UP WITH.

"YOU ARE AS FREE AS YOU NEED TO BE".

BE EXACTLY WHO YOU WANT TO BE DO WHAT YOU WANT TO DO, BUT DON'T SHIT ON OTHERS IN THE PROCESS!

NOTES ON PACIFISM

THE PACIFIST CONSCIENCE

PACIFISM IS SOMETIMES READ AS BEING PASSIVE, IE-) NOT GETTING INVOLVED. THIS IS WRONG. WHEN WE TALK ABOUT BEING A PACIFIST WE MEAN TAKING RESPONSIBILITY FOR OUR OWN ACTIONS IN OUR OPPOSITION TO VIOLENCE BY USING NONVIOLENT DIRECT ACTION. WHEN I SAY NONVIOLENT THIS DOES NOT MEAN THAT I WILL STAND IDLY BY IF A FRIEND IS BEING ATTACKED BY THE POLICE OR ANYBODY ELSE FOR THAT MATTER. IT MEANS THAT I WILL USE THE MINIMUM FORCE NECESSARY TO RESCUE MY FRIEND FROM BEING BEATEN UP ANY FURTHER. IF THIS ENTAILS A FEW BRUISES EITHER, WAY THEN I DON'T CONSIDER THAT I HAVE RESORTED TO VIOLENCE. ON THE CONTRARY I HAVE PREVENTED ANY MORE VIOLENCE FROM TAKING PLACE.

WHEN I TALK ABOUT PACIFISM I DON'T RULE OUT ATTACKS ON PROPERTY I CONSIDER THIS A NECESSARY PART OF OUR STRUGGLE AGAINST THE "SYSTEM".

BURN THOSE Y-FRONTS

WHEN I'M WITH A WOMAN THERE ARE SOMETIMES MOMENTS WHEN WE SEE EACH OTHER CLEARLY AND IN THESE MOMENTS I KNOW SEXISM CEASES TO EXIST FOR BOTH OF US. THESE MOMENTS NEVER LAST FOR LONG BECAUSE INEVITABLY WE FALL BACK INTO THE ROLES WE HAVE BEEN BRAINWASHED WITH FROM BIRTH. SINCE I WAS BORN I HAVE BEEN TAUGHT AS A MALE, TO OPPRESS WOMEN. HOWEVER MUCH BOTH OF US TRY AND DISCARD OUR ROLES WE WILL ALWAYS BE AFFECTED BY SEXISM BECAUSE IT IS INHERENT IN OUR SOCIETY. UP UNTIL RECENTLY I THOUGHT I WAS ABLE TO IGNORE THE QUESTION OF MY BEING SEXIST, BUT I NOW FIND MYSELF NO LONGER ABLE TO DO SO. I REALISE THAT I WILL NEVER ACHIEVE THIS UNTIL SOCIETY ITSELF CHANGES. HOWEVER MUCH A RELATIONSHIP DEVELOPS IT WILL NEVER BE ABLE TO DEFEAT SEXISM, THE WHOLE QUESTION LIES WITH CHANGING SOCIETY. TO EFFECT ANY REAL CHANGE I SHOULD TURN MY ATTENTION TO TRYING TO CHANGE THE SYSTEM.

I FIND IT IMPOSSIBLE TO EVEN START A RELATIONSHIP DUE TO MY INDOCTRINATION AND SELF-OPPRESSION. EVERYTHING I DO AND EVERY WAY I ACT WITH A WOMAN IS SEXIST, BECAUSE THAT IS HOW I WAS TAUGHT TO BE. WHEN RELATIONSHIPS DEVELOP SEX USUALLY PLAYS AN IMPORTANT ROLE. WE RELY ON SEX FOR SECURITY, TO ALLEVIATE OUR FEELINGS OF FEAR AND LONELINESS. SEX GIVES US THE POTENTIAL TO FEEL CLOSE TO SOMEONE, PERHAPS THE CLOSEST WE CAN EVER BE TO ANOTHER PERSON, BUT INVARIABLY IT DOESN'T REACH THAT STAGE. THE VERY ACT OF HAVING SEX WITH A WOMAN IS A POLITICAL ONE, BECAUSE I WILL BE SEEN TO BE FULFILLING MY ROLE AS THE DOMINANT MALE. IN SEX WE SEEM TO LOOK FOR A WAY OUT, A MEANS OF ESCAPE. SEX BECOMES AN ILLUSION AND TAKES US AWAY FROM THE REAL PROBLEMS IN SOCIETY. I DON'T EVER THINK MEN AND WOMEN CAN BE COMPATIBLE UNTIL SOCIETY CHANGES. IF I REALLY WANT TO CHANGE THINGS SHOULDN'T I JUST REJECT SEX ALTOGETHER? ISN'T SEX AS MUCH A PART OF THE "SYSTEM" AS ANYTHING ELSE?.

I WANT TO BE ABLE TO LOVE AND SUPPORT WOMEN BUT AS A HUMAN BEING NOT AS PART OF MY SEXIST ROLE. I CAN'T SAY TO A WOMAN THAT I WILL LIVE WITH HER, BECAUSE LIVING WITH A WOMAN IS SUCH AN INTENSELY POLITICAL ACT AND I FEEL UNPREPARED TO TAKE ON THE TASK.

THE MAIN PRIORITY SHOULD BE TO DEVELOP OUR POTENTIAL TO REALLY LOVE, UNDERSTAND AND TRUST EACH OTHER. ONLY THEN CAN WE HOPE TO CHANGE OURSELVES AND HENCE CHANGE SOCIETY.

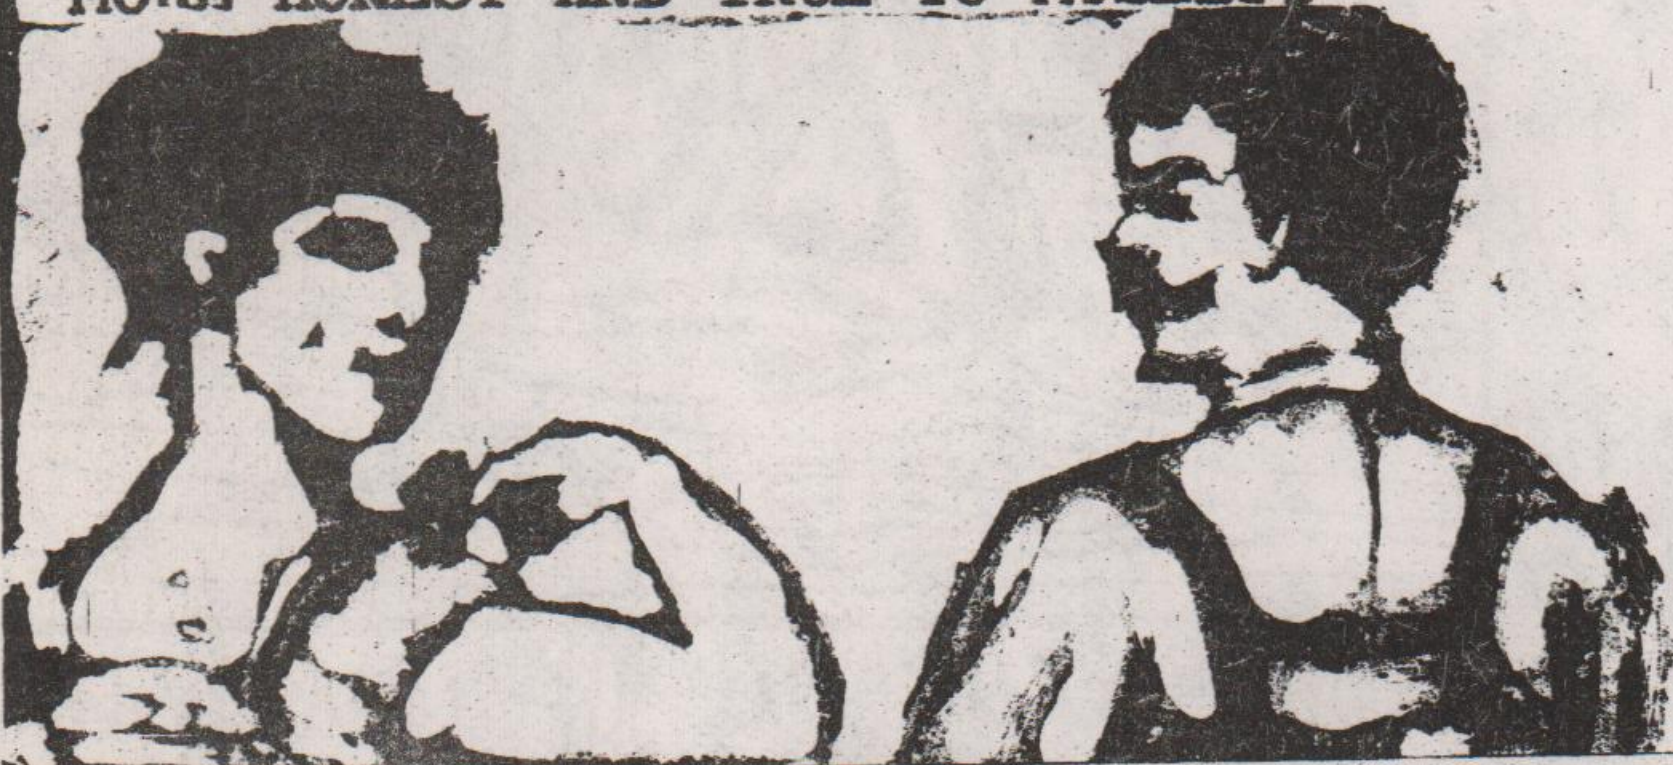

WHEN I SEE THE WORLD AND WHAT A MESS IT'S IN I AM SUPPOSED TO BE OBJECTIVE AND ACT RATIONALLY AND NOT GET TOO EMOTIONAL ABOUT THE SITUATION. THE FACT IS THAT I FEEL TOTALLY FUCKED UP, FRUSTRATED AND CONFUSED. I FEEL SOMETIMES LIKE BURSTING INTO TEARS. I AM AFRAID TO ADMIT THIS AND I CAN'T CRY BECAUSE AS A MAN I AM EXPECTED TO BE STRONG AND UNEMOTIONAL. "MEN JUST DON'T CRY". I AM EXPECTED NOT TO SHOW SADNESS OUTWARDLY ALSO I CAN'T EVER BE TOO HAPPY. I SHOULD NOT FEEL LOVE AND AFFECTION FOR ANOTHER MAN, THE ONLY WAY I CAN RELATE TO OTHER MALES IS WHEN I AM IN COMPETITION WITH THEM OR IF I INDULGE IN SEXIST BRAVADO. I AM ONLY SUPPOSED TO RELATE TO WOMEN IF I AIM TO IMPRESS THEM WITH A VIEW TO FUCKING THEM OR DOMINATING THEM. MY WHOLE IMAGE SHOULD BE ONE OF THE TOUGH, LONE MACHO MAN. I'M PISSED OFF SO I MUST TAKE IT OUT ON EVERYBODY ELSE NO MATTER HOW THEY FEEL. I SHOULDN'T CARE WHAT THEY THINK, I STAMP ON THEIR EMOTIONS LIKE A RAGING BULL STAMPS ON DAISYS. WHEN I'M PISSED OFF EVERYBODY ELSE MUST SUFFER. I AM EXPECTED TO BE LOGICAL ABOUT NUCLEAR WAR AND ANIMAL ABUSE BUT WHEN I SEE HOW SHITTY THE WORLD IS I CAN'T FOR THE LIFE OF ME SEE HOW ANYONE CAN FIND A LOGICAL EXPLANATION FOR THE MESS IT'S IN. I ARGUE WITHOUT EMOTION BECAUSE THAT

CONTINUED.....

IS WHAT IS EXPECTED OF ME.

I AM ONLY JUST BEGINNING TO REALISE THE POWER IN CRYING, WHICH IS WHAT THE WOMEN AT GREENHAM ARE DOING. THE ACT OF CRYING IS A WAY OF CONFRONTING MALE LOGISTICS AND MACHO ETHICS. CRYING IS THE MOST HONEST STATEMENT WE CAN MAKE. I NEED TO LEARN TO CRY MORE OFTEN, TO CONFRONT MY OWN SEXUALITY TO RELEASE AGGRESSION AND EMOTIONS. I NO LONGER THINK IT IS WEAK OR EMBARRASSING TO CRY, BUT THAT DOESN'T MAKE IT ANY EASIER TO DO SO. I AM RESPONSIBLE FOR MY OWN ACTIONS AND THEREFORE I SHOULD COME TO TERMS WITH MYSELF. I NEED TO BE MORE OPEN ABOUT MY EMOTIONS, IN THIS WAY I CAN LEARN TO BE MORE HONEST AND TRUE TO MYSELF.

IN THE PAST THE EMPHASIS WITH SEXISM HAS ALWAYS BEEN ON WOMEN'S GROUPS. THESE WORK WELL FOR LOTS OF REASONS, THEY HELP TO RAISE WOMEN'S CONSCIOUSNESS ABOUT THEIR SEXUALITY AND THE SUBTLE NATURE OF MALE DOMINATION. SOME PEOPLE DON'T UNDERSTAND THAT THESE GROUPS HAVE TO BE SEPARATE, THEY SEE THAT AS BEING SEXIST. WOMEN, THOUGH, THROUGHOUT THEIR LIVES HAVE BEEN COERCED AND CONDITIONED INTO BEING RECESSIVE, AGREEING MACHINES, SO TO HAVE A GROUP OF WOMEN INFILTRATED BY MEN WHO HAVE BEEN CONDITIONED IN A DOMINANT DIRECTION WOULD BE DISASTROUS, AS THEY WOULD TOTALLY CONTROL THE SITUATION AND THE WHOLE POINT WOULD BE LOST.

JUST AS WOMEN NEED TO CHANGE THEMSELVES, SO DO MEN. MEN ARE THE DOMINANT FACTOR AND EQUALITY CAN ONLY BE ACHIEVED WHEN THEY TOO ARE CHANGED, BECAUSE THEY ARE CONDITIONED TO BE AGGRESSIVE AND COMPETITIVE. THIS IS WHY MEN'S GROUPS HAVE FAILED IN THE PAST, BECAUSE THEY CAN'T OPEN UP AND TRUST EACH OTHER, ESPECIALLY NOT TO VIRTUAL STRANGERS. FOR THIS WORLD TO CHANGE FOR THE BETTER IT WOULD BE BETTER IF MEN TOOK ON SUPPOSED "FEMININE" TRAITS RATHER THAN THE OTHER WAY ROUND. MEN'S GROUPS COULD WORK IF IT WAS JUST FRIENDS GETTING TOGETHER AND GRADUALLY GAINING THOSE THINGS THAT HAVE BEEN SUPPRESSED FOR SO LONG. TO BE ABLE TO BE TRULY HONEST WITH OTHER PEOPLE, TO BE ABLE TO CRY, AND START BUILDING NEW RELATIONSHIPS WITH THE PEOPLE AROUND US BASED ON LOVE AND TRUST, IT'S THE ONLY WAY WE CAN ACHIEVE EQUALITY.

STOP WHINING

We moan about the price of food and drink and what a rip off it is but do we do anything about it? You don't have to pay through the nose continuously for food. If you're prepared to put a bit of effort in you can get some food for free.

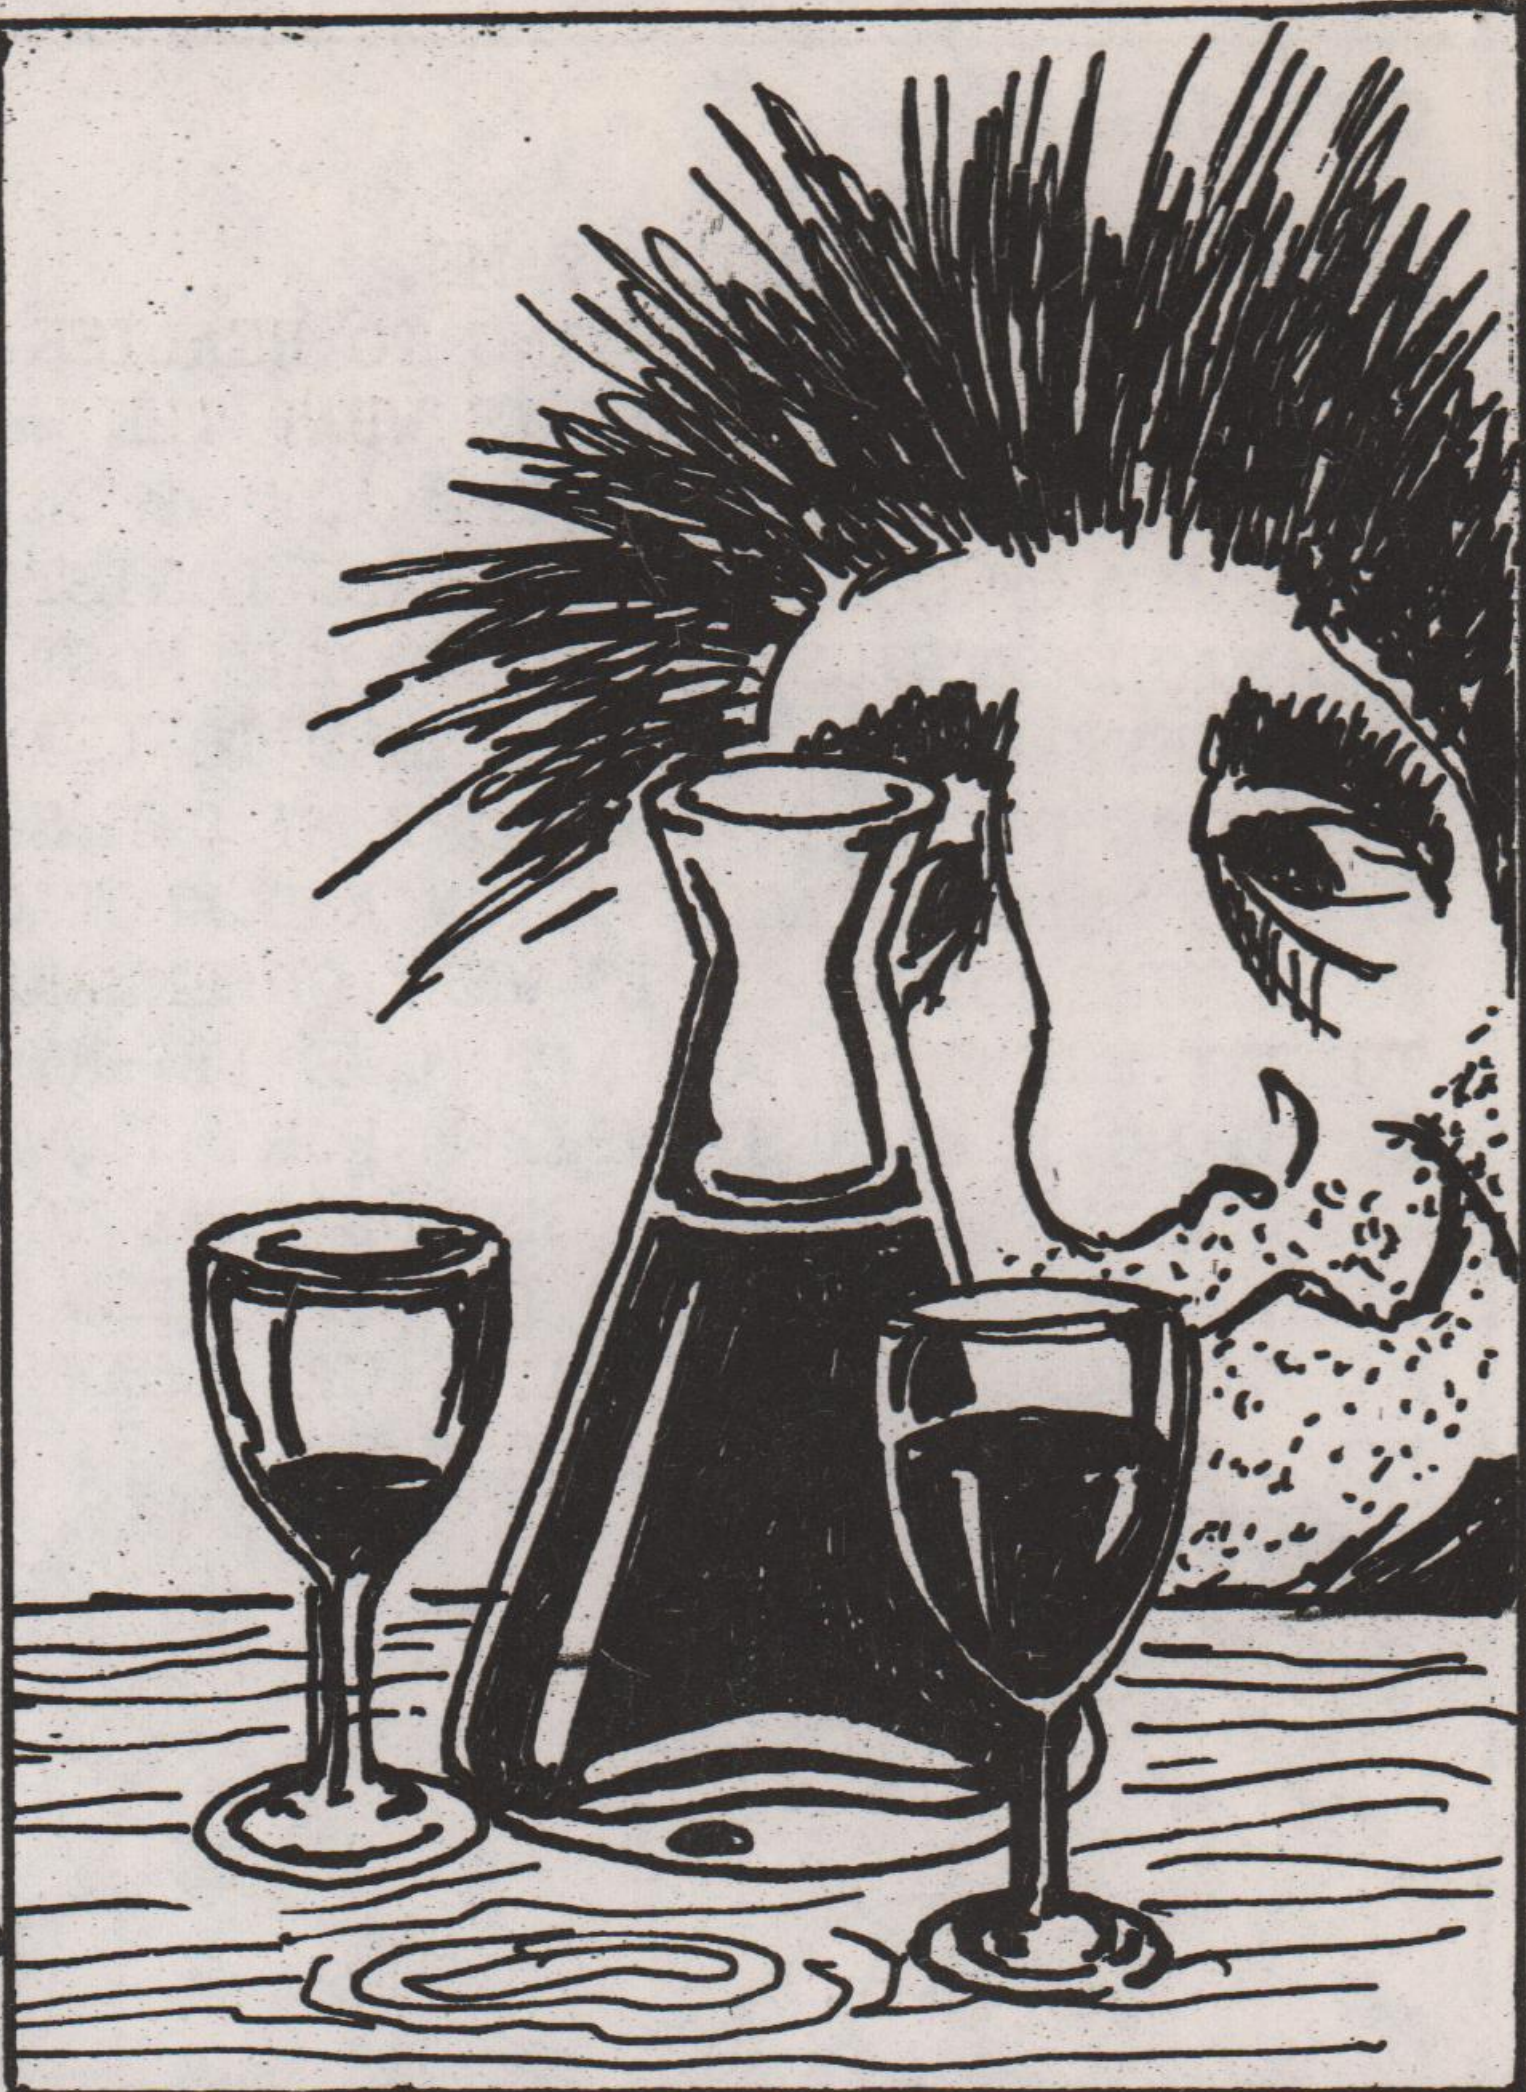

If you're lucky enough to live near countryside and you're willing to get up of your bum, you can find loads of food that grows in the wild eg: nuts, berries, rose hips, acorns, mushrooms, pears, apples etc. By reading a book about wine making you can also learn how to make your own wine from various wild fruits at a fraction of the cost of pub prices. This is a good idea if you're fed up of paying extortionate prices for a drink down the pub. Also by making your own booze you're not giving cash to the state. You can also make other drinks such as sloe gin, mead etc.

All this might sound a bit ridiculous, but it helps you to become more independent of the state and if you get some friends together it can be a good laugh.

STOP WHINING

Another idea is to get an allotment off the local council, you could get some friends to help you try and grow your own food i.e. - sprouts, potatoes, green vegetables etc. You won't become totally self-sufficient but at least you're on the way. You can get books and information on gardening and how to identify edible mushrooms and wild fruits from the local library.

If you're not into nuts and berries there's always the option of going for the farmer's fields. You'll be breaking the law, but if you think it's worth the risk, it's in your reach. You could get a friend to look out for you, but there's really little chance of getting caught if you're careful. By doing this you could get enough potatoes, corn maize, sprouts etc. to last you a few months. It all depends on you really.

THOUSANDS OF POUNDS OF TAX PAYER'S MONEY IS BEING WASTED BECAUSE OF MR MCGREGOR'S NEW HOBBY. HOWEVER THIS MEANS NO-ONE CAN HEAR WHAT HE MUMBLES AT ANY TALKS, SO NOTHING CAN BE SETTLED. AN EYE WITNESS WHO SAW HIM SNIFFING SAID "I THOUGHT HE WAS EATING CHIPS TILL I SAW THE EVO-STIK IN HIS POCKET." DOCTORS SAID "WITH ANY LUCK HE WILL BE DEAD IN A MONTH."

A SPOKESMAN FOR MR MCGREGOR SAID "DESPITE THE FACT THAT THERE SEEMS TO BE NO SOLUTION TO THE PROBLEM MR MCGREGOR HAS REMAINED IN VERY HIGH SPIRITS UP UNTIL RECENTLY" A MR A. SCARGILL WAS QUOTED AS SAYING "IN MY OPINION MR MCGREGOR IS A TOTAL AEROSOL."

I THOUGHT PLASTIC BAGS WERE FOR SHOPPING WITH TILL I DISCOVERED EVO-STIK.

DOGGIE DOOOS!

For Centuries in every 'civilized' society, men have let their most animal passions run loose. Due to their greater physical strength, they get away with this. Degrading womyn, using them, and putting them a poor second in everything. Not all men are like this of course, then the bullies term them 'cowards', 'sissies'.

There is no doubt that men have strong sexual desires, most males in any species do, it's natural, and they do have greater strength. But I don't know why. However in Man surely you'd think this so called intelligent being would not resort to such primitive instincts.

But they do (probably the 'systems' plan of exploitation for profit, religion has a lot to do with it too, all that Adam & Eve crap.)

From birth every child is taught that blokes simply are better. They aren't. They're different not better, and if their brains were as big as what they're so proud of they'd realise, a few do at least, that they have no bleedin' right to use womyn as they do. The mother is used by the son far more than the daughter uses her, washing his socks, cooking and cleaning, (generalisation but still true). The girlfriend is used for his sexual desires, taught from birth that and that's all she's good for, she doesn't mind, is pleased and proud! He can do whatever he wants, he won't complain, but he will if she doesn't do what he wants, and so on 'til they're married, the threats always there, there's no direct conflict because she knows it's her place, and he knows it's his duty.

Pornography, an accepted part of society, dirty mags, it's all a joke, bit of a laugh with the lads! Then he passes a sex shop, thought he'd have a look in, hires a cassette and waits 'til the wife's at weight watchers once a week. He sits goggle eyed as women are portrayed, crackedly as sex-machines, used raped, they enjoy it, all harmless fun, maybe some do, so blind, so conditioned, high heels and lipstick all for the turn on. It's a poor lot for them, their responsibility, swallow the pill, feel free! Free? Shit! just doped to be a sterile hole for his passion.

One night he's out, had too many perhaps? No, he's planned it, he knows just what he's going to do, his own sex fantasy come true.

He has a knife, no he won't use it, just to threaten her, like, 'She'll enjoy it, they all do, bit of a flirt, they resist just to tease, her screams, it gives him pleasure.

He's so blind, he can't see her terror, can't see she doesn't want it, thinks it'll all be ok, thinks she's teasing, enjoys it really, can't feel her struggling, can't see the blood, can't see she's dead. And all for a cheap sexual fantasy.

ON THE GAME

Called the oldest profession in the world, prostitution has been a means for women to earn a living throughout centuries. The church would never speak highly of prostitution, yet religion is where it first began.

There have been periods in history when all women had to prostitute themselves. In ancient Babylon virgins had to sit in the Temple of Ishtar. Strangers would choose a woman by throwing a silver coin into her lap. The priests kept the money, but the women were encouraged to believe they had sacrificed their virginity to a Goddess as part of their religious duty.

Many Eastern and Western religions have run brothels in the past. The priests or bishops licenced these brothels and also took a fair proportion of the profit. The rise of Christianity and monogamous marriage has caused society to take an about face and condemn prostitution and men who live off the earnings of a prostitute as immoral.

In our patriarchal society men control most of the wealth. Men also have the biggest wage packets and some women are forced into an economical situation where the only way to earn the money they need is prostitution.

Outside of London 75% of the prostitutes are single parents. It is difficult for a single mother to get by financially. Some women in this situation have no choice but to take advantage of men's higher earning potential and get married for financial security. This could be seen as another form of prostitution. Marriage isn't seen as a perfect solution by some women so they may turn to the few alternatives left. Married or single women, with children, wishing to draw unemployment benefit must be able to prove they have someone to look after the children if they find employment. Lack of childminders, nurseries and high fees may put a woman in a situation where she is not entitled to claim unemployment benefit.

Many factors force women in the direction of prostitution. These range from high unemployment to low wages for women and even lower supplementary benefits and pimps, but it all boils down to earning a living.

A prostitute's life is not an easy one. It wears your body out and most of the women look aged. It is also a very dangerous way to earn a living with violence and even rape becoming a regular occurrence. It is difficult for any prostitute who is raped to have her attacker convicted. Because of her lifestyle the police would not be willing to take her seriously. Society makes a division between 'bad girls' who deserve to be raped, and 'nice girls', who are respectable. Surely no woman 'deserves' to be raped and attitudes like this endanger all women.

Women who sell their body this way are considered immoral. Standards of moral behaviour vary from individual to individual, time to time, one place to another and country to country, depending on what is considered undesirable by the most powerful figures of the moment. If soliciting on the streets became beneficial to the church or state tomorrow, it would be made legal and encouraged.

Some men and women sell sex and their bodies for money. Many people sell their bodies and labours daily in shops, offices, factories, etc. It all adds up to getting money to eat and pay rent or mortgages. We are all prostitutes in our own way.

In Victorian times, women of ill repute wore decorative chains around their ankles to signify their job.

Today, these ankle chains are still fashionable with many women, thereby signifying that they are prostitutes of the system.

AMERICA OUT!

PEACE and FREEDOM

The British State uses the threat of a Russian invasion of Britain as an excuse for perpetuating the nuclear arms race, but if you take a closer look at Britain, you'll see we've already been invaded.

No, I don't see any Reds under my bed either, looks more like Uncle Sam holding a gun to my Head.

Just take a closer look at the number of American missile bases dotted up and down Britain (102 to be exact, soon 103) and how their multi-nationals oppress the British workers. Even your local High Street's been invaded by Macdonalds French Fries.

Do you really think the Americans are our friends? Just wait till you realise that you can't take any more of the shit that you are getting, and you become a loss on American balance sheets, (Fords just don't like losing all that lovely money- kiddies) and then you'll see the real face of America, not the painted faces of the "dollybirds" in Dallas or Falcons Crest, but an ugly death mask ready to send its troops into your Town, your Home, murdering and raping your Friends and your Family.

Think it won't happen, well it already does! Thousands of EL SALVADORIAN peasants have been murdered or gone missing, victims of vicious death squads which are trained by the American C.I.A.

Imagine the Horror and sickening fear you would feel if you woke to find your friend or brother hanging from a telegraph pole, and your sister or girl-friend raped by a whole platoon of American Green Berets (the guardians of Freedom and Democracy) !

Go on, pretend its nothing to do with you, but it is, you support our government which backs Reagans policies in South America. Maybe you didn't vote for Thatcher but you condone the killings, by living in a Disneyland filled with Mickey Mouse and Big Mac Burgers.

TODAY EL SALVADOR, TOMORROW YOUR FRONT DOOR !

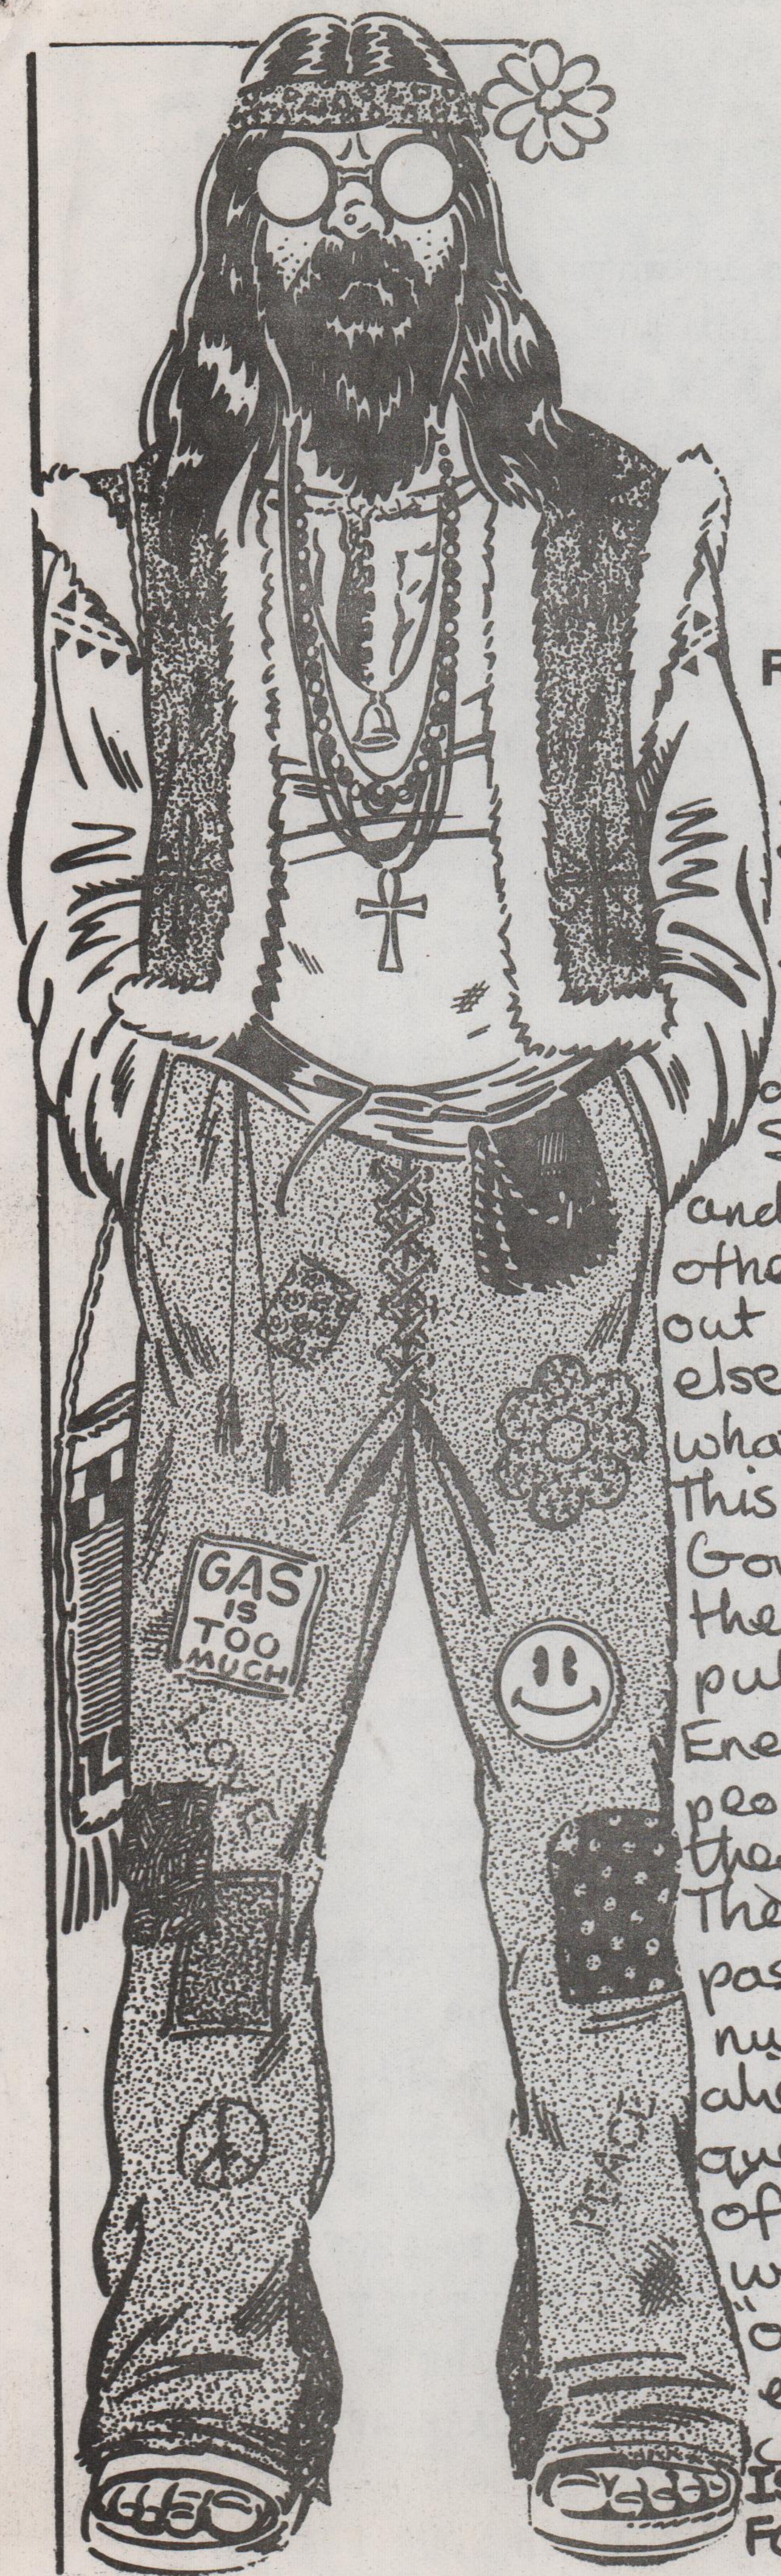

Free the people

feed the poor

Kick the American troops OUT of El Salvador

THERE ARE STILL A FEW PEOPLE WHO WOULD RATHER HAVE GAS.

RELUCTANT STEREOTYPES

So what's so funny about Peace and Love? Another cheap product is sold at the expense of someone else's misery. I wonder what the person looked like who drew this picture?

So electricity is the in thing and anybody who hopes to find other methods of heating is an out of date hippy (or anything else that suits their needs) That's what this advertisement implies. This advert is funded by the Government and it reinforces their need to encourage the public to support the Nuclear Energy Programme. By encouraging people to choose electricity they are gaining support. The Government plays on the passivity and apathy of large numbers of the population, by alienating the few who dare to question their decisions. Those of us who don't look the way we are supposed to, are termed "outcasts" lesbians, queers, Punks. etc. so that they can gain control over us.

ISNT IT TIME WE STARTED TO THINK
FOR OURSELVES? WE DONT NEED THEM.
BUT THEY NEED US!

ALL THEY HAVE IS THEIR MONEY AND THEIR POWER BUILT
ON THEIR LIES AND THEIR GREED
WE HAVE OURSELVES AND EACH OTHER BUILT
ON OUR LOVE AND OUR HOPE

I don't want to say to you "Go on do it what are you worrying for, stop mithering get on and act against the government, don't be scared" because if you are then there is obviously a very good reason for it, you know how you feel, don't be pressured into anything you don't want to do and are not sure about. that is what it's all about being free to live and do as you want, (as long as it doesn't interfere with anyone else's freedom). All I want to say to you is that we're all here and you can do it, it will work, it will happen it is happening. There isn't much time,,

I don't think there is anyway, every day they tighten their grip, it's getting harder for them but they still have the power, and the technology! they will divide us all up in our concrete boxes so we can't travel and so we don't meet any one, then they will be free to wreak their havoc. I'm not very good on information I'll leave that to other people, cos I forget, but I know who my enemy is and why. My enemy is anyone who seeks to govern me I want a society based on love not money, people not profit! Sure we need organisation, but we don't need government.

It's hard because all our lives they've told us we're inadequate insufficient, unfulfilled, unless we buy this or that or both....

It's hard to say I "Look I don't need this really, they just tell me I do" It's hard to break out of the mold, out of the square hole they jammed you into at birth, but they only do it for profit does it really matter if your taste in clothes is different than fashion, that you have hairy legs(don't we all???)that your skin is a different colour, that your body is deformed? Of course it doesn't! it's YOU that matters, what else is there? people or profit???????? YOU choose, which is the most important?

The dance has begun so join hands and join in. Realise that your not alone and whatever you do you never will be

Although I don't think much of religion (I don't think anyone is so much better than anyone else that they can lay down rules for their life) I do think a lot of the Krishna book "The Higher Taste". This may be the 1st. really practical step taken by a religious organization to try to educate people on the benefits of a vegetarian diet. It is given free, for a small donation, to you in the street by those people in saffron robes with 99% shaved heads, who ring bells and hand out biscuits. Here are a few quotes from the chapter "Health and a Meatless Diet".

"Some of the most shocking results in cancer research have come from exploration of the effects of nitrosamines.

Nitrosamines are formed when secondary amines, prevalent in beer, wine, tea, and tobacco, for example, react with chemical preservatives in meat. The Food and Drug Administration has labelled nitrosamines "one of the most formidable and versatile groups of carcinogens yet discovered. (Carcinogenic = cancer producing) and their role in the etiology (causing) of human cancer has caused growing apprehension among experts". Dr. William Lijinsky of Oak Ridge National Laboratory conducted experiments in which nitrosamines were fed to animals. Within six months he found malignant tumors in one hundred percent of the animals. "The tumors," he said "are all over the place; in the brain, lungs, pancreas, stomach, liver, adrenals, and intestines. The animals are a bloody mess."

"Numerous other potentially hazardous chemicals, of which consumers are generally unaware, are present in meat and meat products. In their book 'Poisons in Your Body,' Gary & Steve Null give us an inside look at the latest gimmicks used in the corporate-owned animal factories. "The animals are kept alive and fattened by the continuous administration of tranquilizers, hormones, antibiotics, and 2,700 other drugs," they write. "The

process starts even before birth and continues long after death. Although these drugs will still be present in the meat when you eat it, the law does not require that they be listed on the package."

One of these chemicals is diethylstilbestrol (DES), a growth hormone that has been used in the U.S. for the last 20 years despite studies that have shown it to be carcinogenic.

Banned as a serious health hazard in thirty-two countries, it continues to be used by the U.S. meat industry, possibly because the F.D.A. estimates it saves the meat producers more than 500 million dollars annually.

Another popular growth stimulant is arsenic. In 1972 this well-known poison was found by the U.S. Department of Agriculture (U.S.D.A.) to exceed the legal limit in 15% of the nation's poultry.

Sodium nitrate and sodium nitrite, chemicals used as preservatives to slow down putrefaction in cured meat and meat products, including ham, bacon, bologna, salami, frankfurters, and fish, also endanger health. These chemicals give meat its red appearance by reacting with pigments in blood and muscle. Without them the natural grey-brown colour of dead meat would turn away many customers.

Unfortunately, these chemicals do not distinguish between the blood of a corpse and the blood of a living person, and many people have died of poisoning after excessive amounts. It takes smaller quantities in children and babies.

Because of the filthy overcrowded conditions forced upon animals by the livestock industry, vast amounts of antibiotics must be used. But such rampant use of antibiotics naturally creates antibiotic-resistant bacteria that are passed onto those who eat the meat.

The F.D.A. estimates that penicillin and tetracycline save the meat industry 1.9 billion dollars a year, giving them

sufficient reason to overlook the potential health hazards.

The trauma of being slaughtered also adds "pain poisons" (such as powerful stimulants) into the meat.

These join with uneliminated wastes in the animal's blood, such as urea and uric acid, to further contaminate the flesh the consumers eat.

"In addition to dangerous chemicals, meat often carries diseases from the animals themselves. Cramped together in unclean conditions, force fed, and inhumanely treated, animals destined for slaughter contract many more diseases than they ordinarily would. Meat inspectors attempt to filter out unacceptable meats, but because of pressures from the industry and lack of sufficient time for examination, much of the passes is far less wholesome than the consumer realizes.

A 1972 U.S.D.A. report lists carcasses that pass inspection after the diseased parts were removed.

Examples included nearly 100,000 cows with eye cancer and 3,596,302 cases of abscessed liver. The government also permits the sale of chickens with airsacculitis, a pneumonia-like disease that causes pus-laden mucus to collect in the lungs. In order to meet federal standards, the chicken's chest cavities are cleaned out with air-suction guns. But during this process diseased air sacs burst and pus seeps into the meat.

Carcasses contaminated with rodent feces, cockroaches, and rust were found in meat-packing companies such as Swift, Armour and Cargation.

Some inspectors rationalize the laxity, explaining that if regulations were enforced, no meat-packers would remain open for business."

These direct quotes are obviously about meat in America but it is still very relevant to you.

If you still eat meat give it up not just for the sake of the animals but for your health.
